this text examines photography that is captured shaped transmitted printed and saved electronically it includes coverage of film and its exposure and development but leaves behind coverage of darkroom printing it emphasizes both technique and visual awareness and teaches the skills you need to use the medium confidently and effectively

this book shows for the first time the indispensable role of the burford masons a group of master masons from the historic quarries around burford oxfordshire in creating

some of the foremost buildings of the 17th and early 18th centuries the burford masons were involved in the construction of such outstanding buildings as st paul s cathedral city churches and blenheim palace among many others whilst credit for many of these buildings generally rests with named architects sir christopher wren in particular this book shows how reliant these designers were on their master craftsmen sometimes involving them in the design process as their ideas evolved the book further shows how the burford masons responded to the challenge of late payments often of many years becoming financiers in the process it reveals how as risk taking businessmen they effectively underpinned both public and private development financially and how extraordinary success transformed their lives the reader will learn about the vital part played in the early modern period by master craftsmen of the calibre of the burford masons despite the emergence of the architect as lead designer whose fame has hitherto overshadowed them as a result this book will be a compelling read for anyone interested in architectural construction or social history

videojournalism is a new field that has grown out of traditional print photojournalism slideshows that combine sound and pictures public radio documentary filmmaking and the best of television news features this amalgam of traditions has emerged to serve the internet s voracious appetite for video stories videojournalism is written for the new generation of backpack journalists the solo videojournalist must find a riveting story gain access to charismatic characters who can tell their own tales shoot candid clips expertly interview the players record clear clean sound write a script with pizzazz and finally edit the material into a piece worthy of five minutes of a viewer s attention videojournalism addresses all of these challenges and more never losing sight of the main point telling a great story this book based on extensive interviews with professionals in the field is for anyone learning how to master the art and craft of telling real short form stories with words sound and pictures for the or television the opening chapters cover the foundations of multimedia storytelling and the book progresses to the techniques required to shoot professional video and record high quality sound and market the resulting product videojournalism also has its own website go to just one url and find all the stories mentioned in the book you also will find various how to videos on the site to keep up with the latest changes in the field such as new cameras new books new stories or editing software check the site regularly and like facebook com kobreguide
