stories of the family life of a dustman a washerwoman and their children in a small english town in the 1930s

an exploration of the serialization of children's classics by contemporary publishers this book digs into the impact of the practice and provides new ways of reading the corpus of british children's literature from the 20th century amy webster demonstrates how publishers select texts for their series which texts they omit which outliers are sometimes included and how a core group of works from the golden age of children's literature emerged the text also examines how texts are abridged and transformed from publisher to publisher through close readings of *The Wind in the Willows* and *Alice's Adventures in Wonderland* and how the repackaging of works within a series highlight issues and choices tied to key paratextual elements analysing data through distant reading and close reading of series from ladybird longman puffin and walker illustrated editions this book sheds light on how modern classics series are marked by variation and instability but also a reductive homogeneity through her use of quantitative and text focused research webster reveals how commercial motivations have created a gulf between the canonical concepts of the classic and how the term functions as a marketing tool in british children's publishing with notions of what counts as a classic compromised and complicated this book leads the call for a critical approach towards both the term classic and to reading children's classics that acknowledges how they are tied to the commercial enterprises of the children's book business

this book explores young adult fictions stories about being young staying young and sometimes never wanting to grow up looking at controversial novels by francesca lia block at sex and race in *Buffy the Vampire Slayer* and at the online world of fans and censors chris richards argues that attempts to classify and regulate what counts as young adult have failed and shows how youth as intense exciting and tormented draws audiences unconstrained by age throughout the book the narratives of life as lived by the young emerge as the stuff of the self made and remade in reading watching and listening fascinating and accessible forever young will be of particular interest to students and teachers concerned with contemporary popular culture in cultural media literature and education studies courses

highly recommended by choice while crossover books such as rowling's harry potter series have enjoyed enormous sales and media attention critical analysis of crossover fiction has not kept pace with the growing popularity of this new category of writing and reading falconer remedies this lack with close readings of six major british works of crossover fiction and a wide ranging analysis of the social and cultural implications of the global crossover phenomenon a uniquely in depth study of the crossover novel falconer engages with a ground breaking range of sources from primary texts to child and adult reader responses to cultural and critical theory
