hunter provides a glimpse inside north korean society detailing the everyday life of people living in perhaps the most isolated secretive society of the 20th century in this declassified cia study she describes the world's most extreme cult society under the charismatic totalitarian leader kim il song who ruled his people for 45 years longer than any other leader of the 20th century kim il song's totalitarian cult society comes closest to george orwell's 1984 than any society yet

contrived hunter brings to life what it is like to live in a thoroughly thought controlled society which also is the world's most class conscious society based on all the sources available to the CIA. At the time this book is the most comprehensive look at North Korean life ever published. It is essential reading for foreign policy officials, Asian studies scholars, and the general public interested in world affairs.
