introduction in a world full of uncertainties and challenges it s natural to seek stability and security many people believe that the only way to achieve this is by accumulating wealth and possessions while financial prosperity is not necessarily a bad thing it s important to understand that true abundance goes beyond material possessions the bible teaches us that god desires to bless us and increase us in all areas of life god has

created us to live a life of abundance and increase from the very beginning god commanded us to be fruitful and multiply to fill the earth and subdue it genesis 1 28 this is a promise of increase and prosperity that god has made to each and every one of us however many of us have experienced setbacks and challenges that have made it difficult to live a life of increase we may have faced financial struggles health issues or personal difficulties that have hindered our progress and made it difficult to move forward in unstoppable increase we explore the biblical principles of increase and prosperity and we learn how we can overcome the obstacles that have held us back through scripture and real life examples we discover the power of faith prayer and obedience and we learn how these principles can help us to achieve our goals and live a life of abundance we will also explore the role of gratitude and generosity in our journey towards increase we will learn how a heart of gratitude can open doors of opportunity and blessing and we will discover how our generosity can be a powerful catalyst for increase in our lives and the lives of those around us moreover we will hear from people who have experienced unstoppable increase in their own lives we will learn from their stories and gain inspiration from their successes through their experiences we will see that the principles of increase are not just theoretical but are practical and effective in everyday life this book is a call to live a life of increase and abundance and to embrace the promises that god has made to us it is a reminder that we serve a god of increase and that his desire is for us to live a life of prosperity and blessing we invite you to join us on this journey of faith and we pray that this book will be a source of inspiration and encouragement as you pursue unstoppable increase in every area of your life

the volume delivers a wealth of effective methods to deal with various types of uncertainty inherently existing in human centric decision problems it elaborates on comprehensive decision frameworks to handle different decision scenarios which help use effectively the explicit and tacit knowledge and intuition model perceptions and preferences in a more human oriented style the book presents original approaches and delivers new results on fundamentals and applications related to human centered decision making approaches to business economics and social systems individual chapters cover multi criteria multiattribute decision making decision making with prospect theory decision making with incomplete probabilistic information granular models of decision making and decision making realized with the use of non additive measures new emerging decision theories being presented as along with a wide spectrum of ongoing research make the book valuable to all interested in the field of advanced decision making the volume self contained in its nature offers a systematic exposure to the concepts design methodologies and detailed algorithms a prudent balance between the theoretical studies and applications makes the material suitable for researchers and graduate students in information computer sciences psychology cognitive science economics system engineering operation research and management science risk management public and social policy
