this book analyzes why we believe what we believe about politics and how the answer affects the way democracy functions it does so by applying social evolution theory to the relationship between the news media and politics using the united states as its primary example this includes a critical review and integration of the insights of a broad array of research from evolutionary theory and political psychology to the political economy of media the result is an empirically driven political theory on the media's role in democracy what role it currently plays what role it should play and how it can be reshaped to be more appropriate for its structural role in democracy

as misericórdias são organizações sociais que integram em si um percurso histórico de grande significado não só pelo simbolismo que caracteriza as suas ações mas sobretudo pelas práticas de solidariedade que assistem os grupos de pessoas mais vulneráveis e desprotegidos conhecer em profundidade os seus valores tradicionais de intervenção e os rituais que descrevem os caminhos para o desenvolvimento das iniciativas e sobretudo a ação estratégica que estrutura as respostas solidárias favorece o seu desenvolvimento e permite concretizar e sustentar uma lógica de boas práticas no seu funcionamento o presente trabalho de investigação situa-se no enquadramento dos eixos metodológicos da sociologia de ação e permite caracterizar a matriz da ação estratégica destas organizações através da constituição de um diagnóstico sociológico e de uma visão prospectiva para o futuro através da constituição de um cenário mais provável entre cenários possíveis
