this is an introductory text for undergraduates taking courses in the history of american popular music

the history of american popular music provides crucial insights into the establishment of a distinctively american culture authors larry starr and christopher waterman examine popular music in the united states from its beginnings to the end of the 20th century furthering our understanding of the relationship between music culture and social identity using well chosen examples insightful up to date commentaries and an engaging writing style american popular music from minstrelsy to mtv poses such questions as why do people make and listen to music what do they want from it what does it give them numerous listening examples corresponding to the 2 cd package that accompanies the text prompt readers to listen closely to popular music and to learn about its history and the people and institutions that have produced it american popular music from minstrelsy to mtv integrates detailed discussions of particular popular songs and recordings with a thoughtful consideration of the broader historical and cultural context other distinctive features include a rich illustration program strong pedagogy including numerous boxed inserts inclusion of earlier american popular music and well organized listening charts with lyrics themes such as the multicultural roots of popular styles the development of musical technology and the operations and strategies of the music industry unify the text this book is an ideal text for courses in american studies cultural studies popular culture and music its accessible style and warm tone will captivate students and other readers encouraging them to become more critically aware listeners of popular music publisher description

who really wrote the classic song dixie a white musician or an african american family of musicians and performers

appell jazz studies diablo valley college and hemphill graduate studies research and development san francisco state university offer a textbook for popular music humanities or cultural studies courses organized by the musical influences of particular cultural groups african american european american latin native american and asian rather than a strict chronological approach this is followed by a section tracing modern jazz to hip hop they survey a broad range of styles from minstrelsy blues hymns and wind bands to chicano music afro caribbean music bebop acid jazz girl groups folk rock the british invasion r b and rock

blackface minstrelsy is associated particularly with popular culture in the united states and britain yet despite the continual two way flow of performers troupes and companies across the atlantic there is little in britain to match the scholarship of blackface studies in the states this book concentrates on the distinctively british trajectory of minstrelsy the historical study and cultural analysis of minstrelsy is important because of the significant role it played in britain as a form of song music and theatrical entertainment minstrelsy had a marked impact on popular music dance and other aspects of popular culture both in britain and the united states its impact in the united states fed into significant song and music genres that were assimilated in britain from ragtime and jazz onwards but prior to these influences minstrelsy in britain developed many distinct features and was adapted to operate within various conventions themes and traditions in british popular culture pickering provides a convincing counter argument to the assumption among writers in the united states that blackface was exclusively american and its british counterpart purely imitative minstrelsy was not confined to its value as song music and dance jokes at the expense of black people along with demeaning racial stereotypes were integral to minstrel shows as a form of popular entertainment british minstrelsy created a cultural low other that offered confirmation of white racial ascendancy and imperial dominion around the world the book attends closely to how this influence on colonialism and imperialism operated and proved ideologically so effective at the same time british minstrelsy cannot be reduced to its racist and imperialist connections enormously important as those connections are pickering demonstrates the complexity of the subject by insisting that the minstrel show and minstrel performers are understood also in terms of their own theatrical dynamics t
