this book provides a rhetorical manual for political and business leaders to motivate followers even in times of hardship it covers the fine art of persuasion and argues that there are four speeches every leader has to know the opening speech the executioner speech the consolation speech and the farewell speech the authors explore how leaders could speak in order to appear credible to an audience and they argue that the leader has to take on suffering and give meaning to the suffering people experience the book analyzes speeches from a wide variety of speakers including sir winston churchill barack obama nelson mandela and angela merkel and ends with a rhetorical dictionary for leaders to help readers familiarize themselves with helpful terms from rhetorical theory

the westminster dictionary of new testament and early christian literature and rhetoric details the variety of literary and rhetorical forms found in the new testament and in the literature of the early christian church this authoritative reference source is a treasury for understanding the methods employed by new testament and early christian writers aune s extensive study will be of immense value to scholars and all those interested in the ways literary and rhetorical forms were used and how they functioned in the early christian world this unique and encyclopedic study will serve generations of scholars and students by illuminating the ways words shaped the consciousness of those who encountered christian teachings

jerome neyrey brings a remarkably enlightened approach to the passion narrative and to luke s particular version of it the book begins where previous studies leave off for it goes beyond traditional questions of source and historicity and treats the lukan passion narrative from the standpoint of redaction criticism neyrey offers a fresh literary analysis of the text along with significant thematic and theological insights into luke s version of jesus s passion five major episodes in the passion narrative are treated the farewell address at the last supper the garden jesus s trials his address to the women and the crucifixion although rich in detail this book continually offers a unified view of the text readers are constantly offered overviews summaries of the data and interpretation of it the book breaks new ground in suggesting a distinctive lukan soteriology of the cross and a corresponding christology study of the faith of the dying jesus becomes a major clue for seeing jesus as the new adam in luke acts this

book significantly advances our reading of luke especially by the way acts is brought to bear as an interpretive clue to luke s whole project luke acts contemporary interpretation of luke demands study of the way lukan structures and themes are continued and confirmed in acts which holds true especially for the passion narrative luke brings the story of jesus into harmony with the story of his church

this set of books in its revised form has an elaborate section for effective essay writing and report writing all compositions that have been asked in the icse examinations from the year 1995 to the present year have been given the section on grammar has more number of exercises specifically pertaining to questions asked in previous years other sections like report writing quotable quotations and comprehension have also been enhanced

speech given by derek whitehead on his farewell from the state library of victoria 21 december 1999
