définir de façon univalente la notion de mythe et celle d utopie semble en soi une entreprise tout à fait utopique par ailleurs jumeler les deux notions celle du mythe et celle d utopie relève d un processus de réflexion qui peut facilement être à double tranchant le mythe construction par excellence de l imaginaire humain ne se situe t il pas ailleurs que dans un non lieu et l utopie quant à elle ne fait elle pas écho au mythe à la fois s en inspirant le niant et le transformant redondance possible et aussi parfois refus des deux domaines à admettre leur interdépendance cheninement parallèle surtout et création commune de ce qui en fin de compte s avère mythe transformé utopie revistée toutefois mythes et utopies quels que soient la position choisie le point de vue défendu semblent faire bon ménage à en juger par ce projet mavec dix neuf textes couvrant principalement la littérature contemporaine des femmes mais puisant parfois aux oeuvres antérieures qui ont déjà préparé le terrain en offrant des visions d existences idylliques ne serait ce que littéraires

written at a time of global pandemic when we have been forced to confront age old existential questions why are we here where are we

going perhaps for the first time *quo vadis* is extraordinarily relevant to leaders managers and anyone who wants to bring meaning and authenticity into their work and life manfred kets de vries argues that we need to address these fundamental and disturbing questions if we are to live fully and meaningfully too many people wake up on a monday morning and do the same things they have done every monday they go to work and function on autopilot without questioning their purpose but how can we make sure our lives are rich and fulfilling how do we know we re on the right track this is a book about death and the fear of death about angst and absurdity but it is also about endurance honesty well being responsibility living with hard truths creating meaning and happiness *quo vadis* makes us look full on at the things we prefer not to see it is a short book that pulls no punches but is far from bleak instead kets de vries shows that our life is enriched and our ability to make meaning and find happiness is increased when we acknowledge the inevitable price we have to pay for knowing our own mind and understanding our inevitable end

time for a heart to heart is not your typical memoir but is rather eclectic in tone at times philosophical poetic poignant uplifting confessional hysterically funny and nostalgic but most of all it is an inspiring story of the triumph of hope and the human spirit in the face of the direst of circumstances and the ultimate challenge of survival people who have gone through significant heart disease or have undergone organ transplants as well as their families and friends will appreciate this book about a year ago bob mitchell became very sick he would endure three near fatal episodes of ventricular tachycardia due to a heart muscle comprised of 54 scar tissue as well as heart surgeries two harrowing months of waiting on the transplant list for a new heart on life supporting iv drips during which time a malignant tumor was detected in his kidney partial nephrectomy surgery to remove the cancer another month of waiting 12 hour heart and kidney transplant surgery and 100 days on life support in four different hospitals a novelist at heart bob s ordeal seemed like a memoir screaming to be written not simply a narrative of the physical and emotional experience of what it s like to go through and recover from a transplant it is at its core both a thought provoking introspective monologue and an intimate dialogue with the reader concerning life s fundamental conflicts that the author pondered during his ordeal these experiences and tribulations gave clarity and perspective to the things bob had

been thinking teaching and writing for over five decades fear and hope despair and joy failure and success pride and humility thought and feeling control and surrender arbitrariness and justice constriction and freedom youth and age life and death
