published under the transnational publishers imprint

fair immigration proceedings in europe deals with international minimum standards for effective and fair immigration proceedings which apply for the region of the european union it is the first study to analyze systematically the impact of a wide range of relevant treaties under the un the council of europe and the european union on the quality of national immigration proceedings as a result a coherent picture has come to the surface which despite several lacunae gives a surprising view of the acquis of binding obligations on eu member states in this field special attention is given to the greater conventions like the refugee convention of geneva the international covenant on civil and political rights the european convention on human rights and the ec treaty because of its systematic structure the book is readily accessible for quick consultation it constitutes an important tool for litigation practice and legislation for civil servants judges attorneys and researchers it will also be of interest to academics because of its analysis of the interaction between minimum norms and equal treatment norms when implemented in municipal law

written in a uniquely engaging style and full of illuminating analyses this book provides a thorough and modern guide to the study of the constitutional law of the union numerous diagrams and tables clarify key concepts and processes and a practical appendix helps students to find and read primary and secondary legal sources

this is the second edition of this wide ranging survey of eu law the new edition has been significantly enlarged unlike many other eu law books it takes full account not only of the lisbon treaty changes to the eu treaties but also of the fact

that the eu charter of fundamental rights now has the same legal value as the eu treaties it therefore not only covers the relevant case law of the court of justice of the european union but also ties that case law into the decisions of the european court of human rights because it is clear that eu law can only now properly be understood and applied against this background of european fundamental rights jurisprudence the book sets out very clearly the broad shape of the european union s legal systems while also giving the reader a good feel for the policy motivations in the court of justice of the european union and the scope of eu legislative activity written in a lively and accessible style it is an ideal guide for practitioners whether those coming to the subject for the first time or those already with a background in eu law among the additions and changes in this expanded edition the book includes new chapters on the eu and fundamental rights on commercial agency on criminal law and on private international law in the eu it also contains a full treatment of eu equality law the first edition ec law for uk lawyers by aidan o neill and jason coppel isbn 9780406024596 was published by butterworths in 1994

ultimately young william james thinking reveals how james provided a humane vision well suited to our pluralist age

this text combines coverage of the community legal system and crucial areas of substantive law with an approach which presents a selection of important source material within a framework of narrative discussion the first five chapters deal with the community legal order

recoge 1 the judicial organisation of the european union 2 enforcement of community law 3 protection against acts of the institutions 4 special forms of procedure

recoge part i equal pay part ii equal treatment part iii social security part iv enforcement of sex equality in employment part v citizenship and human rights part vi women and internal market part vii perspectives on sex equality law proposals for reform

includes bibliographical references and index

this set organizes the case law of the supreme court alphabetically with headnotes arranged under modern titles of law it also includes a table of cases which lists alphabetically all decisions specifying digest sections where headnotes are located publisher

the book illustrates the distinct relationship between international european and national legislation in the field of non discrimination law
