children they want everything and they want it now they don't care about killing your sex life or the way they add six inches to the length of your breasts and they sure as hell don't give a sh*t that you only slept four hours last night any person physical need or dream that takes you away from them for even five seconds is their natural enemy and must be crushed with loud endless cries this book is about how to survive babies and what they grow into children it's about shortcuts and parenting with 40 effort you'll learn how to ignore avoid threaten and lie in easy to skim while locked in the bathroom mini chapters plus valuable how to fake it tips to help you through those days when there isn't enough sh*tty advice in the world we get you we get your little dictators and we can help

this heartwarming and funny memoir from a beloved actress tells the story of a mother and daughter whose narrative reflects american cultural changes and the world's shifting expectations of women from golda to ginsburg yentl to mama rose tallulah to the queen of mean tovah feldshuh has always played powerful women who aren't afraid to sit at the table with the big boys and rule their world but offstage tovah struggled to fulfill the one role she never auditioned for lily feldshuh's only daughter growing up in scarsdale ny in the 1950s tovah known then by her given name terri sue lived a life of piano lessons dance lessons shopping trips and white gloved cultural trips into manhattan in awe of her mother's meticulous appearance and perfect manners tovah spent her childhood striving for lily's approval only to feel as though she always fell short lily's own dreams were beside the point instead she devoted herself to tovah's father sidney and her two children tovah watched lily retreat

into the roles of the perfect housewife and mother and swore to herself i will never do this when tova had shot to stardom with the broadway hit yentl winning five awards for her performance she still did not garner her mother s approval but it was her success in another sphere that finally gained lily s attention after falling in love with a harvard educated lawyer and having children tova found it was easier to understand her mother and the sacrifices she had made during the era of the women s movement the sexual revolution and the subsequent mandate for women to have it all beloved as he had been by both women sidney s passing made room for the love that had failed to take root during his life in her new independence lily became outspoken witty and profane don t tell daddy this lily whispered to tova but these are the best years of my life she lived until 103 in this insightful compelling often hilarious and always illuminating memoir tova shares the highs and lows of a remarkable career that has spanned five decades and shares the lessons that she has learned often the hard way about how to live a life in the spotlight strive for excellence and still get along with your mother through their evolving relationship we see how expectations for women changed with a daughter performing her heart out to gain her mother s approval and a mother becoming liberated from her confining roles of wife and mother to become her full self a great gift for mother s day or any day when women want a joyous and meaningful way to celebrate each other

a timely and provocative exploration of narcissism from donald trump to kanye west to lance armstrong that shows us how to recognize and handle the narcissists we encounter every day narcissists are everywhere there are millions of them in the united states alone politicians entertainers businesspeople your neighbors recognizing and understanding them is crucial to your not being overtaken by them says jeffrey kluger in his provocative book about this insidious disorder the odds are good that you know a narcissist probably a lot of them you see them in your office on tv maybe even in the mirror the odds are also good that they are intelligent confident and articulate the center of attention with intelligence sight and wit kluger explains the startling new research into narcissism and the insights that research is yielding he explains how narcissism and narcissists affect our lives at work and at home on the road and in the halls of government what to do when we encounter narcissists and how to neutralize narcissism s effects before it s too late as a writer and editor at time kluger knows how to take science s cutting edge research and transform it into perceptive accessible writing which he does brilliantly in the narcissist next door highly readable and deeply engaging this book helps us understand narcissism and narcissists more fully

when do you know for sure that you ve become a parent for jenny schoberl it wasn t when a human fell out of her lady parts or the first time her baby said mama it was when she found herself a grown woman hiding in the bathroom to eat a candy bar just so she didn t have to share parenthood changes people s lives in horrifying and inevitable ways no matter how hard you resist you soon find yourself being that parent far too often to deny it it won t be long before mom jeans and minivans are calling your name discussing bowel movements over dinner guilty peeing with an audience check grocery shopping alone sounds like a tropical vacation watching cartoons hours after the kids have gone to bed now your only hobby what do you do when motherhood turns you into someone you hardly recognize when you open your mouth and holy hell your mother comes out kids are turds proves that you don t need to be super mom to be a good mom whatever that is but you absolutely do need a sense of humor to get through the hard days either that or you can give in yank up your mom jeans and rock a mile long camel toe so for the love of retinas everywhere be strong

beth learns about being a vampire from her brother janick she learns about being a female version of a vampire from reading a book the book is written by her mother using a pen name it is a diary series of letters of how her mother learned about being a vampire her diary also details finding love and acceptance from a male vampire something she wanted in the first place that despite not getting the acceptance she wanted from people this is a paranormal romance in fiction terms and not a memoir mature adults for this story inappropriate languages and sexual themes
