the first book of its kind out of what began traces the development of a distinctive tradition of irish poetry over the course of three centuries beginning with jonathan swift in the early eighteenth century and concluding with such contemporary poets as seamus heaney and eavan boland gregory a schirmer looks at the work of nearly a hundred poets considering the evolving political and social environments in which they lived and wrote schirmer shows how irish poetry and culture have come to be shaped by the struggle to define irish identity schirmer includes a large number of accomplished poets who have been unjustly neglected in standard accounts of irish literature many of these writers are women whose work has been kept in the shadows cast by that of well known male poets he also emphasizes the importance of political poetry in a country that continues to be torn by sectarian violence with its rich selection of poetic voices out of what began reveals the political social and religious diversity of irish culture

from the dark shadow of civil war to the pastel painted towns of today making ireland irish provides a sweeping account of the evolution of the irish tourist industry over the twentieth century drawing on an extensive array of previously untapped or underused sources eric g e zuelow examines how a small group of tourism advocates inspired by tourist development movements in countries such as france and spain worked tirelessly to convince their irish compatriots that tourism was the secret to ireland s success over time tourism went from being a national joke to a national interest men and women from across irish society joined in eager to help shape their country and culture for visitors eyes the result was ireland as it is depicted today a land of blue skies smiling faces pastel towns natural beauty ancient history and timeless traditions with lucid prose and vivid detail zuelow explains how careful planning transformed irish towns and villages from grey and unattractive to bright and

inviting sanitized irish history to avoid offending ireland s largest tourist market the english and supplanted traditional rural fairs revolving around muddy animals and featuring sexually suggestive ceremonies with new family friendly festivals and events filling today s tourist calendar by challenging existing notions that the irish tourist product is either timeless or the consequence of colonialism zuelow demonstrates that the development of tourist imagery and irish national identity was not the result of a handful of elites or a postcolonial legacy but rather the product of an extended discussion that ultimately involved a broad cross section of society both inside and outside ireland tourism he argues played a vital role in making ireland irish
