in 1992 florida voters approved an amendment to the state s constitution creating eight year term limits for legislators making florida the

second largest state after california to implement such a law eight years later sixty eight term limited senators and representatives were forced to retire and the state saw the highest number of freshman legislators since the first legislative session in 1845 proponents view term limits as part of a battle against the rising political class and argue that limits will foster a more honest and creative body with ideal citizen legislators however in this comprehensive twenty year study the first of its kind to examine the effects of term limits in florida kathryn depalo shows nothing could be further from the truth instead these limits created a more powerful governor legislative staffers and lobbyists because incumbency is now certain leadership races especially for speaker are sometimes completed before members have even cast a single vote furthermore legislators rarely leave public office they simply return to local offices where they continue to exert influence the failure of term limits in florida is a tour de force examination of the unintended and surprising consequences of the new incumbency advantage in the sunshine state
