this textbook provides an authoritative analysis of the codes and company laws regulating international corporate organizations the book equips the reader with an understanding of corporate governance theory and investigates how the financial crisis continues to shape real world policy and practice

traditionally books on business ethics focus on csr companies relations with their stakeholders and corporate citizenship more recently green credentials and sustainability have been added to that agenda unconventionally this book argues that business ethics are basic to running business not a separate subject they are inherent to the governance and management of every organization not an optional exercise in corporate citizenship business ethics concern behaviour in business and the behaviour of business decisions at every level in a company have ethical implications strategically in the board room managerially throughout the organization and operationally in all of its activities the use and sometimes the abuse of corporate power the process of corporate governance raises ethical issues business involves risk taking whether decisions are at the strategic managerial or operational level exposure to ethical risk needs to be part of every organization s strategy formulation policy making and enterprise risk management designed to be read by both undergraduates and postgraduates this book is a primer on ethics in business it is also relevant to ethics courses that are now part of many legal accountancy and other professional examinations the book is not about moral

philosophy nor does it prescribe appropriate standards of behaviour or recommend economic legal or political solutions rather it enables readers to recognize ethical issues in business to respond appropriately and to embed ethics in business processes the book not only considers what business ethics are and why they are important but offers practical approaches on how to develop a successful corporate ethics culture

the article reviews bob tricker s corporate governance principles policies and practice

the most authoritative complete and critical guide to corporate governance
