the qing dynasty 1636 1912 a crucial bridge between traditional and modern china was remarkable for its expansiveness and cultural sophistication this engaging and insightful history of qing political social and cultural life traces the complex interaction between the inner asian traditions of the manchus who conquered china in 1644 and indigenous chinese cultural traditions noted historian richard j smith argues that the pragmatic qing emperors presented a chinese face to their subjects who lived south of the great wall and other ethnic faces particularly manchu mongolian central asian and tibetan to subjects in other parts of their vast multicultural empire they were attracted by many aspects of chinese culture but far from being completely sinicized as many scholars argue they were also proud of their own cultural traditions and interested in other cultures as well setting qing dynasty culture in historical and global perspective smith shows how the chinese of the era viewed the world how their outlook was expressed in their institutions material culture and customs and how china's preoccupation with order unity

and harmony contributed to the civilization's remarkable cohesiveness and continuity nuanced and wide ranging his authoritative book provides an essential introduction to late imperial chinese culture and society

semjaza the apocalypse of silence is the second book in the curse of mesphisto's seed trilogy the apocalypse chronicles the death of elliott and the birth of lifthrasir it reveals the plans of mesphisto the trial of mark talbot and josh riley and the rise of the cult of the wayward souls as the new age religion of choice reviewers called book one a fantastic apocalyptic thriller a hellish battle between good and evil a haunting journey the journey truly begins in book two with its jinns doppelgangers necromancy roman gods and a certain devil named michael orcus with a penchant for beautiful women the landscapes of hell are more brutal the action more furious and this time only nox the goddess of death and her acolyte the black cat can decide the final outcome

at the turn of the twentieth century the jirim league witnessed a linguistic struggle between manchu mongol chinese japanese and russian powers the qing empire envisioned a trilingual educational system with the aim of improving the jirim mongols ability to read chinese manchu and mongolian through this policy the qing sought to transform loyal imperial subjects into modern patriotic nationals and incorporate them into an integrated and united china under a manchu constitutional monarchy the late qing's language policy and strategy for ruling the mongols of manchuria was an attempt to address the enduring multilingual legacies in qing administration and people's everyday life growing local ethnic tensions cross boundary connections imperial rivalries and the rise of new ideas concerning nation modern state and international relations in east asia this book challenges the notion of chinese language reform as a story of linear progression towards national monolingualism highlights the power of multilingualism in chinese nationalist discourse from a peripheral non han chinese perspective and questions the extent to which national languages dominate the writing of history

recent years have witnessed a vibrant debate concerning the constitutional basis of judicial review which reflects a broader discourse about the role of the courts and their relationship with the other institutions of government within the constitutional order this book comprehensively analyses the foundations of judicial review it subjects the traditional justification based on the doctrine of ultra vires to critical scrutiny and fundamental reformulation and it addresses the theoretical challenges posed by the impact of the human rights act 1998 on administrative law and by the extension of judicial review to prerogative and non statutory powers it also explores the relationship between the theoretical basis of administrative law and its practical capacity to safeguard individuals against maladministration the book seeks to develop a constitutional rationale for judicial review which founds its legitimacy in core principles such as the rule of law the separation of powers and the sovereignty of parliament it presents a detailed analysis of the interface between constitutional and administrative law and will be of interest to all
