sunday times bestseller this book is about learning to live echoing socrates statement that the unexamined life not worth living psychoanalyst stephen grosz draws on his twenty five years of work and more than 50 000 hours of conversations to form a collection of beautifully rendered tales that illuminate the human experience these are stories about everyday lives from a woman who finds herself daydreaming as she returns home from a business trip to a young man loses his wallet to the more extreme examples the patient who points an unloaded gun at a police officer and the compulsive liar who convinces his wife he s dying of cancer the resulting journey will spark new ideas about who we are and why we do what we do a captivating journey these are universal themes insights into an emotional world we inhabit often with equal difficulty a wonderful book sunday times

an exploration of topics of everyday importance in the socratic tradition

in this book the follow up to the best selling philosophy for kids dr david white delves deeper into the philosophical questions kids and adults care about deeply through vibrant discussions and debate the book offers ways teachers can help students grapple with age old questions about the nature of friendship aristotle time augustine knowledge plato existence of god aquinas perception berkeley freedom and society rousseau and many more the book is divided into three sections part 1 presents primary source readings that will encourage discussion and debate part 2 offers easy to use activities that focus on the direct application of philosophy to areas such as critical thinking language and the arts and part 3 offers a unique perspective just for teachers a philosophical look at how teachers can become more reflective philosophers themselves this is an excellent teachers handbook for using advanced philosophy in the classroom grades 7 12

terrence malick is one of american cinema s most celebrated filmmakers his films from badlands 1973 and days of heaven 1978 to the thin red line 1998 the tree of life 2011 and most recently a hidden life 2019 have been heralded for their artistry and lauded for their beauty but what really sets them apart is their ideas terrence malick and the examined life is the most comprehensive account to date of this unparalleled filmmaker s intellectual and artistic development utilizing newly available archival sources to offer original interpretations of his canonical films martin woessner illuminates malick s early education in philosophy at harvard and oxford as well as his cinematic apprenticeship at the american film institute to show how a young student searching for personal meaning became a famous director of hollywood films woessner s book presents a rich interdisciplinary exploration of the many texts thinkers and traditions that made this transformation possible from the novels of hamlin garland james jones and walker percy to the philosophies of stanley cavell martin heidegger and søren kierkegaard to road movies hollywood westerns and the comedies of jean renoir situating malick s filmmaking within recent

intellectual and cultural history woessner highlights its lasting contributions to both american cinema and the life of the mind terrence malick and the examined life suggests it is time for philosophy to be viewed not merely as an academic subject overseen by experts but also as a way of life open to each and every moviegoer

can philosophy be socially relevant dating back to socrates apology and beyond marx s argument that pure philosophical theory without practical application was unattainable philosophers have had many diverse views about their work including that it is indispensable that it is socially irrelevant and even that it is harmful tracing the controversy through history this book examines eleven philosophers arguments concerning the question of the social relevance of philosophy placing each thinker in the appropriate cultural and historical context colleen flewelling focuses particularly on the frankfurt school as their program was aimed at producing a socially relevant theory she suggests that philosophical theory and practice are in fact interconnected and that if properly understood some forms of philosophy can be socially relevant the social relevance of philosophy provides a concise yet thorough history of the debate on philosophy s role in society it is essential reading for students and professional philosophers alike

moral philosophers have traditionally addressed the educated public of their societies on the central questions of morality what good lives are and what people can do in their particular circumstances to achieve them john kekes follows this tradition in both his choice of subject and his intended audience kekes discusses the nature and justification of moral traditions and he argues that there are two general conditions required for all good lives first good lives depend on trying to realize personal ideals second good lives also depend on the development of certain character traits namely the virtues in the final chapters kekes discusses how these ideals and virtues can form a coherent pattern and how this pattern can be rationally justified from publisher s description

what can a christmas carol teach us about how people change can a gift have a meaning that we don t suspect offering incisive psychoanalytical insight from stories told out of everyday lives these tales by practising psychoanalyst stephen grosz present a moment of reflection wisdom and some much needed sanity over the festive period a preview for his forthcoming book the examined life published on 3 january 2013 and serialised on radio 4 book of the week contents exclusive to the ebook the gift an unexpected ending on knowing a preview from the forthcoming book the examined life how lovesickness can keep us from love advance praise for the examined life the examined life is a fascinating collection of quiet stories about very real human predicaments the listening cure at its best patrick mcgrath i couldn t put this down i read about other people but learned about myself at the same time real stories can be so much more fascinating than fictional ones especially with stephen grosz no preaching no clichés just wisdom victoria hislop a beautifully judged wonderfully readable book with a clear and kind voice there is a rare integrity in the writing no showing off just honest attention to each trusted relationship i read the whole thing in one sitting cover to cover ruth padel

the family magazine of the reorganized church of jesus christ of latter day saints

this volume of lee blessing s most recent and some of his best work includes patient a a rethinking of the kimberly bergalis aids case two rooms the strain on families of hostages in the middle east down the road a tale of a serial killer concerned with image fortinbras a hilarious reexamination of hamlet in a contemporary political context and lake street extension an exploration of the dark theme of child molestation all of these plays resonate with blessing s characteristic depth of human feeling and his insistence that the personal is the political

this is a powerful exploration of the debilitating impact that politically correct multiculturalism has had upon higher education and academic freedom in the united states in the name of diversity many leading academic and cultural institutions are working to silence dissent and stifle intellectual life this book exposes the real impact of multiculturalism on the institution most closely identified with the politically correct decline of higher education stanford university authored by two stanford graduates this book is a compelling insider s tour of a world of speech codes dumbed down admissions standards and curricula campus witch hunts and anti western zealotry that masquerades as legitimate scholarly inquiry sacks and thiel use numerous primary sources the stanford daily class readings official university publications to reveal a pattern of politicized classes housing budget priorities and more they trace the connections between such disparate trends as political correctness the gender wars generation x nihilism and culture

wars showing how these have played a role in shaping multiculturalism at institutions like stanford the authors convincingly show that multiculturalism is not about learning more it is actually about learning less they end their comprehensive study by detailing the changes necessary to reverse the tragic disintegration of american universities and restore true academic excellence
