25 years 20 million copies sold this 25th anniversary edition of stephen covey s beloved classic commemorates the timeless wisdom of the 7 habits

for me thinking about the me of tomorrow far predates the virus it has become second nature essential to creating a meaningful life it s my bread and butter however paradoxically understanding how to plan in the age of coronavirus took on an even greater meaning our sense of balance thirst for knowledge and

approach to health career finances and relationships required even more forethought and attention than ever before envisaging future tomorrows puts us in a better position to deal with today at some point we knew the planet's current nightmare would end and an unpredictable new normal would emerge having the mental discipline to envisage a different life and a different life stage makes us smarter more adaptable and more conscious of our choices every day this book is all about decision making covid 19 just made us consider our daily decisions with another unknown variable it reinforced my belief that planning both past and present holds meaning and resonance in times of stress and greatest uncertainty just as it does when life seems more normal unpredictability is part of life efrain rovera wanted nothing more than to be an engineer while growing up in panama his rationale was simple engineers in panama were paid well and he wanted to live a secure comfortable life so he started planning ahead the fact that his peers who also wanted to be engineers did not do the same floored him and their diverging paths convinced him to make planning and visualizing a key part of life moving forward at so many junctures he found himself thinking about not only the best choice for that moment but the long term in this guide to planning for a better life he reveals how to think and plan rigorously for the future set yourself up for future happiness and appreciate how thinking about tomorrow can influence every aspect of life the book helps readers navigate the complex web of work by showing how influence is more effective than title what organizations value and the critical attributes for career success it also explores ways to promote financial and physical health get a strategic long term plan and work toward your dreams with the insights and lessons in the 7 habits of tomorrow

develop the skills to become an effective health services manager designed for current and future health services managers this accessible and engaging text blends foundational management competencies with career building insights the book dives into all the core health management domains including leadership ethics population health finance hr project management and more with examples drawn from diverse healthcare settings professional reflections and career content help readers build both confidence and empathy in their journey toward impactful and valuable careers key features integrates core management functions with evolving topics like professionalism community collaboration evidence based management and health equity equips students and professionals with the necessary skills and mindset to succeed in real world health services management roles career boxes development reflection prompts and more than 30 informational interviews guide students toward professional growth and applied learning written with generation z learners in mind by an expert committed to education and the future of healthcare leadership instructor resources include an instructor's manual powerpoint slides a test bank and more
