when reason fails to guide us in our everyday lives we turn to faith to religion we close our minds we reject austere reasoning this rejection which is a faith based social and intellectual malignancy has two unfortunate consequences it blocks the way to knowledge that might enhance the quality of life and it opens the way to charlatans who exploit the faith of others examining two unquestionable malignancies of the

christian right in present day politics in the united states and the secular religion of hitler s national socialism as well as the third more complex case of gandhi the author asserts that we need religion but we also need to make sure it does no harm

a series of eye opening profiles and stories about women as warriors from a roman empress to an irish pirate from a woman samurai to a russian fighter pilot in world war ii
