can a man s legacy be drawn from an eight year period in time what kind of a footprint has  
gwb left on the american people or the world for that matter has he served his country well  
by protecting us from terrorism or has a alienated america from the rest of the world has  
he acted as a christian in his role as president of the united states or has he misused the  
bible as a means of procuring votes and evoking war was the rebuilding of iraq set in  
motion years before the twin towers tragedy or was this a rapid decision based on an  
emergent circumstance i have tried to keep this debate as original as possible that  
includes errors in grammar punctuation and spelling i have also tried to collect them in a  
somewhat chronological method in order to keep a level playing field i have simply  
collected publicly posted comments of others from open sources

opinions of the presidency of george w bush and his perceived legacy seem to exist only at  
the extremes from the contentious outcome of the 2000 election to the attacks on september  
11 to the ongoing war in iraq and afghanistan to the efforts to transform major domestic  
policies and culminating with the financial crisis of 2008 it is little wonder that the  
name george w bush tends not to evoke lukewarm opinion during his time in office bush  
obtained the highest approval ratings of any sitting president but also the lowest scholars  
and other observers of the bush presidency have been similarly divided across the board the  
presidency of george w bush raises questions that invite challenges to political scientists  
scholarly questions of significant general interest the authors in this volume begin the  
process of addressing some of these questions with essays that cover an array of issues

related to his presidency and the legacy it leaves this collection of essays presented at the mount union college symposium on the legacy of george w bush seeks to provide some balance offering some initial assessments of the consequences of this controversial president and his eventful tenure in office
