amid the tumultuous landscape of early 20th century literature a voice emerged that would forever alter the contours of modern fiction this collection of intimate diaries offers an unprecedented glimpse into the mind of one of the greatest literary figures of her time spanning over several years these journals reveal virginia woolf s innermost thoughts struggles and triumphs providing an intimate counterpoint to her well known novels readers are invited to witness the raw unfiltered emotions that fueled woolf s groundbreaking works from the initial spark of inspiration to the painstaking process of creation her reflections on the cultural and political upheavals

of her era her candid observations on fellow writers and her deeply personal battles with mental illness paint a vivid portrait of a woman driven by an insatiable quest for artistic perfection and personal truth the diary of virginia woolf volume i collects woolf s diaries between 1915 and 1919 virginia woolf 1882 1941 was an english author with novels like jacob s room 1922 mrs dalloway 1925 to the lighthouse 1927 and orlando 1928 she became a leading figure of modernism and is considered one of the most important english language authors of the 20th century as a thinker with essays like a room of one s own 1929 woolf has influenced the women s movement in many countries

during the first world war the british army s most consistent german opponent was crown prince rupprecht of bavaria commanding more than a million men as a general and then field marshal in the imperial german army he held off the attacks of the british expeditionary force under sir john french and then sir douglas haig for four long years but rupprecht was to lose not only the war but his son and his throne haig s enemy by jonathan boff explores the tragic tale of rupprecht s war the story of a man caught under the wheels of modern industrial warfare providing a fresh viewpoint on the history of the western front boff draws on extensive research in the german archives to offer a history of the first world war from the other side of the barbed wire he revises conventional explanations of why the germans lost with an in depth analysis of the nature of command and of the institutional development of the british french and german armies as modern warfare was born using rupprecht s own diaries and letters many of them never before published haig s enemy views the great war through the eyes of one of germany s leading generals shedding new light on many of the controversies of the western front the picture which emerges is far removed from the sterile stalemate of myth instead boff re draws the western front as a highly dynamic battlespace both physical and intellectual where three armies struggled not only to out fight but also to out think their enemy the consequences of falling behind in the race to adapt would be more terrible than ever imagined

this book critically analyzes us political military strategy by arguing that freedom of the seas discourse is fundamentally unfit for an era of maritime great power competition the work conducts a genealogical intellectual history of freedom of the seas discourse in us foreign policy to show how the concept has evolved over time to facilitate american control over the global ocean space it concludes that the contemporary discourse works to establish the high seas as an arena free from claims of sovereignty so that the united states as the presumed unrivaled naval power can intervene globally on behalf of its national interests however since sea control strategies depend on a preponderance of material force as the united states wanes in relative material capability it becomes less able to support political military strategies predicated on the assumption of global naval dominance the book provides a timely commentary on the current geopolitical competition between the united states and china and critiques the us approach toward china in the maritime domain in order to highlight potential avenues of foreign policy action that may enable the two countries to mitigate the risk of conflict this book will be of much

interest to students of naval history maritime security us foreign policy and international relations

with an introduction by virginia nicholson saturday 2 february 1918 the first walk we ve had for ever so long damp mild vaporous day funeral bells tolling as we went out marriage as we came in the streets lined with people waiting their meat aeroplanes droning invisible our usual evening alone happily knee deep in papers this diary begins in january 1915 virginia woolf was about to publish her first novel the voyage out by the end of 1919 she had published many essays and reviews as well as a second novel night and day her diary was the counterpoint to that public writing here she could record details of daily life think about friends and reading writing and her state of mind this diary offers a unique insight into the life and mind of one of britain s most influential writers and the circle she was part of which came to be known as bloomsbury this new granta edition includes woolf s asheham diary for the first time

devoted exclusively to the arab israeli conflict and palestinian affairs a forum for study of the region and peaceful resolution to the conflict analysis of current developments in the peace process the latest historical scholarship and cultural and societal trends
