many guides claim to offer an insider view of top undergraduate programs but no publisher understands insider information like vault and none of these guides

provides the rich detail that vault s new guide does vault publishes the entire surveys of current students and alumni at more than 300 top undergraduate institutions each 2 to 3 page entry is composed almost entirely of insider comments from students and alumni through these narratives vault provides applicants with detailed balanced perspectives

they analyse how carleton university tried to adjust to the changing social values of the 1960s describing how the administration tried to come to terms with financial constraint the professors tried to shift their emphasis from teaching to research while fretting about job security and the students challenged the traditional authority of university officials and professors in an effort to become fee paying clients rather than pupils over and above these changes were attempts to come to grips with individual rights and the changing status of women creating carleton is not only the story of how carleton came to terms with these changes but a case study of the transformation of higher education in ontario and in north america

in this volume eleven areas of government policy are analyzed including economic management deficit control trade promotion and employment national unity social policies child care elderly benefits and housing and ethics overall liberal policies bear a much stronger resemblance to tory blue philosophy than their own red book

drawing on the work of academics and other experts from across canada carleton university s school of public policy and administration s annual book takes a focused and robust look at an era where a political coronation seemed inevitable but high expectations had to be managed downwards almost immediately a less than buoyant fiscal surplus escalating concerns about liberal ethics and corruption and a growing volatility in public opinion are examined as are canadians increasingly uncertain views about the new liberal leadership versus the old liberal party s ten year hold on power a new conservative party and a suddenly feisty new democratic party are also a central part of the new 2004 2005 canadian political and policy milieu

this volume contains papers presented at the third international conference on computing and information icci 91 held at carleton university in ottawa canada may 27 29 1991 the conference was organized by the school of computer science at carleton university and was sponsored by the natural sciences and engineering research council of canada nserc and carleton university icci 91 was an international forum for the presentation of original results in research development and applications in computing and information processing the conference was

aimed at both practitioners and theoreticians and was organized into five streams algorithms and complexity databases and information systems parallel processing and systems distributed computing and systems expert systems artificial intelligence this volume contains three invited papers by e c r hehner r l probert and s j smith and 71 selected papers
