learn to drive like a pro covers everything from basic to advance driving techniques the reader will learn everything from the mundane like how to adjust and use the mirrors properly to the  
downright excitinglike to how to handle various kinds of skids braking skids cornering skids power skids in response to the what if s we are constantly confronted with while driving author  
anthony scotti outlines the full spectrum of defensive maneuvers with discussions on the what why and how of the driving equation the driver the vehicle you drive and the environment you  
drive in whether you must drive in inclement weather or rush hour traffic learn to drive like a pro outlines the necessary skills techniques and mental attitude to become a first rate driver and

the enjoyment and sense of pride that comes with them the text also includes a preflight walk around checklist how to back up safely with a how to on backing up a trailer or fifth wheel tips for saving money at the gas pump a look at today's electronic driving devices how to set up mirrors for optimum visibility car feel and ride understanding the mind body connection fatigue effects of driving under the influence vision and sense of space turning around passing and merging stopping the car traction and weight transfer reaction time defensive maneuvers in everyday and emergency situations such as when there are five seconds or less between the driver and a potentially serious situation winter driving getting unstuck from ice and snow the finer points of vehicle control timing maneuvering spotting hazards the basics of vehicle dynamics and why the vehicle sometimes does what it wants to do not what the driver wants it to the effects of fatigue and stress on the driver distracted driving personal safety road rage winter driving how to get unstuck from snow and ice night driving tires accident causes a crash course and safety features

here's the ultimate guide to being the best and safest driver possible and an absolute must for everyone with a learner's permit former top gear stig and professional driver ben collins shares expert skills culled from a twenty year career as one of the best drivers in the world famous for racing in the le mans series and nascar piloting the batmobile and dodging bullets with james bond refined over thousands of hours of elite level performance in the physics of driving his philosophy results in greater control and safer more efficient and fun driving for all skill levels

supersedes 7th edition 2005 isbn 9780115526572 superseded by 2016 ed isbn 9780115534379

this new edition has been updated to include details on independent driving which is being introduced into the practical driving test from october 2010 additional information on emergency diversions and travelling through road works and advice on overtaking slow moving vehicles plus other key revisions the official dsa guide to driving the essential skills together with the official highway code and know your traffic signs provides the source material for learner car driver and driving instructor theory tests being referenced throughout with the latest official dsa theory test titles for car drivers

a collection of stories from over 30 years of experience as a safetyman licensed instructor state driving champion and professional driver a humorous and realistic guide to help the average truck driver better understand the laws rules and regulations in an easy to read format this book also covers the csa2010 and stories from the street as a local driver from the road as a long haul driver from the classroom road tests and during training as a safetyman also some stories from the driving championships i believe anyone in the trucking industry will enjoy reading this book

use your mind to learn how to drive the quick and easy way to pass the practical driving test this newly updated incredible book and 60 minute audio mp3 download which costs far less than a single lesson could save you's on unnecessary driving lessons written by a retired top grade 6 instructor with over 49 years experience and who was the proprietor of one of south yorkshire's most successful driving schools you will be impressed by this totally unique product however please be warned that the content is controversial and not for dinosaurs this guide shows how grossly unfair the driving test is and how to deal with this why some people keep failing why some women and men find learning more difficult why some people learn really easily unique ability analysis test by using the simple proven techniques as directed you will find out how you can control how easy or difficult the learning process will be how easy or difficult your driving test route will be how to eliminate driving test nerves how friendly your examiner will be which traffic situations you will or more importantly won't encounter on your test your attitude

nerves and confidence how the weather will affect your test negative influences from friends family and previous tests etc plus more after studying the information you may well agree that although it might seem a little unconventional at first it is in fact perfectly logical and it works

how to overcome fear of driving is an enlightening and practical book for anyone experiencing any degree of fear of driving whether you don't drive at all and can barely look at a car or if you drive sporadically and only when you have to or even if you drive every day but still don't like doing so then this is the book for you you may feel that you have a phobia a deeply held fear or simply a niggling sense of unease that you want to conquer this is a book for anyone who wants to step away from any fear of driving and towards becoming a confident driver instead the author is a former driving phobic who avoided driving for seven years but is now happily back on the roads and wants to help you get there too it includes advice from many world renowned professionals working with people with driving phobia and brings together all their combined knowledge of what will conquer this fear it contains practical exercises you can do from home and a guided plan to get you driving again with the advice understanding and practical exercises in this book you can start your journey towards driving confidence outstanding features written by a recovered driving phobic who knows what you are going through features the most up to date research on driving fear includes advice from a wide range of leading therapists and experts in driving phobia includes practical exercises many of which can be done without leaving your home part of the royalties from the sale of this book are donated to a charity

the learner driver's manual updated for all the new highway code rules learning to drive you need the learner driver's manual the essential guide for all learner drivers gain confidence and ace your driving test with this comprehensive guide packed full of useful information for the new driver in this book you will find a step by step guide to help you pass your driving test with flying colours important information to ensure you are fully prepared before getting behind the wheel tips and techniques to improve your driving skills and confidence clear diagrams to help explain tricky situations lessons on motorway driving for real world experience the learner driver's manual is a comprehensive guide to help you not only gain your driving licence but to serve as a handy reference to help keep you safe and on the right side of the law throughout your driving career using this book you can become a better and more confident driver with tips on developing skills and improving planning and anticipation learn with a friend or relative or use it to reinforce and revise lessons from your driving instructor whichever way you use it it will help you to become much more than a learner driver uk driving skills all rights reserved also available in paperback from ukdrivingskills.co.uk

driving is the most dangerous thing each of us does on a daily basis and yet the average learner receives just eighteen hours training less than a starbucks barista in this inspirational fully illustrated highly entertaining book former top gear star ben collins uses his super charged experience of racing stunt work and cutting edge scientific knowledge to tell you all of the things you didn't learn on your test and in the process will make your driving safer more economical and a lot more enjoyable the skills described in how to drive from skid control to gear changes that are as smooth as a cashmere codpiece have been honed on racing tracks by the greatest drivers in the world this is the stuff your instructor missed your dad forgot and your mates pretend to know but don't packed with illustrations gobsmacking driving anecdotes humour and wisdom this is the ultimate book for anyone who wants to be better at something they do every day of their life the world population of motor vehicles exceeded a billion a couple of years ago let's make sure their owners understand how to use them

i have been an instructor for 22 years with probably one of the best pass rates in the country by using the methods in this book devised by myself i built them into routines and then collated each

routine and created my book that help my trainees pass fast and nearly all of them first time there is no other book on the market that teaches how to pass your test to this level learning to drive can be an exciting exhilarating or even a frightening thing to do for some people imagine knowing what to do before getting into the driving seat wouldn't that feeling of knowledge make you more comfortable or even confident it takes you through what you are learning is the correct and proper procedure for each exercise there are step by step easy exercises to run through and routines to remember it will help you understand what the examiner expects on all the parts of driving if you are learning to drive now or thinking of starting lessons think how much you could save people younger than 17 can study this book in preparation for learning to drive it is also a fantastic aid for anyone taking lessons now it's like having your own personal instructor on hand at anytime this book puts you in control of how fast you want to progress through your lessons think how much you could save its learning made easy step by step general driving cockpit drill controls moving off stopping approach junctions to turn left approach junctions to turn right t junctions emerge left t junctions emerge right traffic lights controlled uncontrolled crossroads roundabouts virtual driving manoeuvres three point turn turn in the road parallel park reverse park left reverse round a corner right reverse round a corner controlled stop emergency stop reverse bay parking hill start move off up hill down hill additional show me tell me taking your theory test taking your practical test

many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive we are republishing these classic works in affordable high quality modern editions using the original text and artwork

easy to follow fully illustrated a must for all learner drivers kerry o sullivan's simple manual written from twenty years of on the job experience is a commonsense practical guide for anyone who wants to learn to drive and for those who want to teach them the key to getting a driving licence and then to being a good driver lies not only in knowing the rules and being able to control a car it is just as important to learn how to recognise and avoid dangerous situations before they turn into scare experiences by following the lessons in this book learner drivers will be able to approach the driving test with confidence as licensed drivers they will have the skills that make driving pleasurable as well as safe
