everyone in or out of a relationship has wondered how couples work and what makes them successful or unsuccessful long lasting or short term in this insightful refreshingly nonjudgmental book barry dym ph d and michael glenn m d chart the stages of a couple s journey together and offer a provocative glimpse of the complex birth and development of intimate partnerships at the heart of couples the authors identify three distinct yet recurring stages common to all enduring relationships we learn that couples begin with a period of expansion and promise a time when each individual feels somehow larger more witty and charming in short the best person that he or she can be the intensity of expansion cannot last though and inevitably will move into contraction we each pull back into our more habitual ways enact or demand more stereotypical gender roles and feel disappointed and betrayed couples who weather the storm of contraction and long term couples will experience many of them will resolve their struggles and move into a time of resolution when intimacy is renewed and each individual can become more complete containing both their best and worst selves but couples is much more than a map illustrating their ideas with in depth examples drs dym and glenn reveal how a couple s identity is shaped by these stages and the powerful cultural expectations of society friends and family who tell us what a couple should be couples analyzes how recurrent patterns are established and the impact of gender issues children and

the serious crises that occur in any lifetime finally the authors offer accessible suggestions for applying these concepts to one's own relationship guiding couples and individuals in how to manage their own periods of turmoil and transition original engaging and thoughtful couples uncovers the essence of our most intimate relationship ultimately it offers a striking portrait not just of whom we love and why but who we are book jacket title summary field provided by blackwell north america inc all rights reserved

intimacy is what many people are seeking when they get into a relationship especially with the opposite sex unfortunately many of those who get into such relationships do not understand and appreciate that having intimacy in a relationship depends on whether you are knowledgeable about certain principles that govern true intimacy and whether or not you are willing to live by them many people mistakenly think that experiencing intimacy in a relationship is something they can stumble upon or something that develops simply because they desire it nothing is further from the truth intimacy is something you consciously build towards by applying the principles that govern its birth growth and maturity the search for intimacy in relationships has left many heartbroken and disillusioned with many concluding that intimacy is something that only exists in soap operas and romance novels many unanswered questions linger in the hearts and minds of people whether true intimacy can be experienced in a relationship the doubt in the masses is understandable when you consider the many dysfunctional homes many people have come from there was no modeling of true intimacy between parents some parents decided to stay together not because they loved each other any more but because of their children or because they would lose much more if the society they were staying in discovered they were no longer together having come from dysfunctional homes or having witnessed dysfunctional homes many ask themselves is there any hope for those in the twenty first century to build and have a lasting fulfilling and intimate relationship with one partner is there any hope for intimacy when husband and wife separate on their first night of marriage after a colorful wedding the answers to these questions will largely depend on where we turn to for principles on building intimate relationships if we turn to the world all we will see and get are the glaring statistics of divorces in our day however if we turn to the word of god we will get sound and lasting wisdom on how to build an intimate relationship that will stand the test of time in seeking instruction and wisdom for establishing intimacy in relationships we will borrow heavily from the books of genesis and from songs of solomon the book of genesis will give us the foundation for intimate relationships while the book of songs of solomon will give us the material for building an intimate relationship the content of this book is targeted to those who hope to have an intimate relationship that will lead to marriage with the opposite sex this book offers great insight for those in courtship while challenging those who are married to re evaluate their relationship i encourage those who are hurt and disillusioned from previous relationships and those seeking an intimate relationship to read this book i believe the book will shed light in the darkness and bring them to the place where they can experience intimacy in their relationships i humbly recommend the contents of this book to those who are in courtship and those who conduct courtship and marriage seminars

written to promote the development of students critical thinking and analytical abilities through the analysis of theory and evidence concerning sexuality this book covers topics typically covered in human sexuality courses anatomy physiology gender love and relationships development reproductive issues disorders but from a psychological perspective

first published in 2016 routledge is an imprint of taylor francis an informa company

an exploration of the bonds that play a central role in women s lives and which are critical for a woman s sense of identity and emotional well being for the modern woman the need for love and acceptance from another has never been more important finding true love however has never been more fraught with challenge and adversity you may have experienced infidelity had a partner who fails to respect your boundaries or felt deeply sad and lonely in your marriage you could also be a woman who has a strong desire to marry but can t find your soul mate in woman to woman you will read about others who have experienced such challenges as well as those who were able to find fulfillment in their romantic relationships in their own words they talk about marriage sex infidelity divorce and single life entwined within their stories dr daniela granzotto discusses critical issues that characterize a healthy intimate relationship with frankness and warmth dr granzotto shares her expert knowledge and insight woman to woman to empower you with a better understanding of yourself and your love life

unrealistic expectations are the culprit in relationship problems dr wolinsky looks at the root causes of unrealistic expectations separation resistance to separation and desire for merger it is the unresolved resistance to separation which leads people to expect partners to act as parents and fulfil past time needs in the present the further extension of this subconscious demand is not seeing or experiencing the partner as a human being in the present

many desire an emotionally intimate relationship and yet react to the prospect by pulling away they do this to obscure their true selves for one of two reasons they fear rejection if they are to honestly reveal themselves to another or it may be because of a foreboding sense that their identity will be taken away if they truly open up to another in either case by pulling away they make themselves seem aloof and guarded and that makes rejection all the more likely when it happens their conviction that intimacy is not possible for them is reinforced for those caught in this web or for those who know people who are author jill p weber phd a clinical psychologist explains why a capacity for intimacy is not a fixed quality but a skill to be developed and refined this book is the fourth in her relationship formula workbook series weber shows how with practice it is possible to foster fulfilling relationships not only with romantic partners but with family members friends and coworkers she draws on years of experience in her practice to layout doable strategies that fundamentally change an individual s ability to find genuine emotional rapport

combining practical advice like that of harville hendrix with spiritual teaching like those of thomas merton the bestselling author of journey of the heart challenge of the heart and awakening the heart creates an extraordinary book about the sacred power of intimate relationships

this powerful collection of essays by such notables as d h lawrence robert bly anne morrow lindbergh and rainer maria rilke focuses on the challenges of love between men and women addressing the questions and difficulties arising for people in relationships today anyone who is has been or hopes to be in an intimate relationship with a person of the opposite sex will find this book must reading the first group of essays deals with the contradictions and possibilities inherent in erotic love leading to the question posed in the next section what do men and women really want the contributors then explore marriage as an ongoing path of personal transformation that opens into a look at sexuality itself as an especially vivid meeting of two different worlds the book closes with a group of writings that consider relationship as a vehicle for developing power wisdom and inner truth carefully selected threaded together by welwood s insightful commentary the essays presented here approach the challenge of intimacy with bravery and gentleness inspiring the reader toward becoming a warrior of the heart

this introductory textbook is for students who are interested in learning about and establishing healthy marriage family and intimate relationships with divorce rates high and relationships fragile books and courses are needed that help students address important issues regarding relationships the readers of this text examine many important and relevant issues through the lens of theory and research and do so using a written format that is readable understandable and easy to apply to one's life it was written so that each chapter has information that readers will find helpful as they attempt to establish and maintain meaningful healthy relationships there are questions throughout each chapter that help readers focus not only on the material but also on how the material relates to their present and past relationship and family situations the text provides material on the research of john gottman the object relations theory of harville hendrix the solution focused approach of michele weiner davis and the prep approach to conflict management of markman stanley and blumberg these and other topics discussed are very relevant to students' concerns and are addressed in greater depth than found in most other texts the emphasis is not just on couple relationships but also on family relationships therefore in this book there is extensive coverage of family systems theory and the influence of family rules and family structure on the development of families there is also material on how change produces transitions in family life that must be assimilated into the family structure—for example when a couple has their first child thus both couple and family issues are addressed throughout the book for instructors who want to focus their courses on marriage family and intimate relationships this book would be an ideal choice a study guide for students and instructional material for instructors can be obtained by visiting [understandingrelationships.net](http://understandingrelationships.net)

this book is a how to guide for developing and maintaining good healthy relationships with your loved ones this book gives you practical guidance and ideas

to help you improve your connection with your partner whether you are in a long term committed relationship or just starting out we think that the core of any great relationship is love trust and passion and we will show you how to build these traits in your own life this book covers a wide range of subjects to help you construct a meaningful and enduring relationship from communication tactics to intimacy building activities so whether you want to rekindle the spark in your present relationship or get a new one off to a good start fostering intimate relationship is the appropriate resource to help you get there in order to create and sustain strong healthy connections with your partner you must foster intimate bonds intimacy entails emotional connection trust and vulnerability in addition to physical attraction in order to improve your ties with your mate you should cultivate closeness in your relationship communication is one of the most fundamental parts of establishing closeness communication that is open and honest is essential for developing trust and understanding in your relationship make it a point to explain your views feelings and needs clearly and to actively listen to your spouse this can assist you in developing a deeper connection and creating a secure and supportive atmosphere in which your relationship can grow showing respect and thanks for your mate is another vital facet of establishing connection expressing thanks and admiration for your mate might help to deepen your bond make a point of recognizing their achievements and showing them how much you cherish and appreciate them spending quality time together is also important for developing closeness be available for each other and do things that you both like this might help you form a stronger bond and generate everlasting memories forgiveness practice is also helpful for establishing connections no relationship is flawless and disagreements are unavoidable to enhance your friendship practice forgiveness and work through challenges together another important part of building closeness is to be helpful demonstrate to your partner that you will be there for them through thick and thin provide emotional support encouragement and assistance in achieving their goals maintaining romance is also vital for establishing closeness remember to keep the fire burning in your relationship keep the romance alive by surprising your sweetheart with nice gestures and planning romantic date evenings finally it is critical to respect each other's limits in order to establish closeness respect your partner's limits while clearly communicating on your own this can aid in the development of trust and the establishment of a secure and healthy atmosphere in which your relationship can thrive you can nurture closeness in your relationship and maintain it healthy and robust by following these guidelines remember that relationships need effort but the effort is well worth it if you want a satisfying and enduring relationship with your spouse
