presents vampire lore from various parts of the world

from the creator of the most famous literary detective of all time comes thiscollection of vampire stories

collected here for the first time are 34 strange and erotic tales of vampires created by some of supernatural fiction's greatest mistresses of the macabre from the classic stories of Edith Nesbit, Mary E. Wilkins Freeman and Mary Elizabeth Braddon to modern incarnations by such acclaimed writers as Poppy Z. Brite, Nancy Kilpatrick, Tanith Lee, Caitlin R. Kiernan and Pat Cadigan. These blood drinkers and soul stealers range from the sexual to the sanguinary, from the tormented good to the unspeakably evil. Among these children of the night you will encounter Chelsea Quinn Yarbro's byronic vampire, Saint Germain, Nancy A. Collins' undead heroine, Sonja Blue, Tanya Huff's vampiric detective, Vicki Nelson, and Freda Warrington's age-old lovers, Karl and Charlotte. Featuring the only vampire short story written by Anne Rice, the undisputed queen of vampire literature, and boasting an autobiographical introduction and original tale by Ingrid Pitt, the star of Hammer films, *The Vampire Lovers* and *Countess Dracula*, this is one anthology from which every vampire fan will want to drink deeply.

The vampire is now a staple of modern culture, seen in films, comics, posters, books, and countless other places and products. His presence has become ubiquitous. Despite this, the origin of this mythical creature remains obscure. When, in what circumstances, did this character enter the world of fiction? Included in this collection are several stories that were written in the 19th century; they represent some of the earliest appearances of vampires in written form. *The Vampyre* is considered by many to be the first ever vampire short story ever written. *Carmilla*, a gothic novella published 25 years before *Dracula*, contains themes of lesbian attraction and aristocratic depredation that must have been controversial at the time. *Clarimonde* is the story of a priest who is troubled in his faith when he falls in love with a mysterious woman. Collectively, these stories represent a remarkable creative outburst that would give birth to the unnerving and endearing vampire.

Unearthed from long forgotten journals and magazines, Andrew Barger has found the very best vampire short stories from the first half of the 19th century. They are collected for the first time in this groundbreaking book on the origins of vampire lore, the cradle of

all vampire short stories in the english language is the first half of the 19th century andrew barger combed forgotten journals and mysterious texts to collect the very best vintage vampire stories from this crucial period in vampire literature in doing so andrew unearthed the second and third vampire stories originally published in the english language neither printed since their first publication nearly 200 years ago also included is the first vampire story originally written in english by john polidori after a dare with lord byron and mary shelley the book contains the first vampire story by an american who was a graduate of columbia law school the book further includes the first vampire stories by an englishman and german including the only vampire stories by such renowned authors as alexander dumas théophile gautier and joseph le fanu as readers have come to expect from andrew he has added his scholarly touch to this collection by including annotations story backgrounds author photos and a foreword titled with teeth
