what if you found out that you re not who you believe you are what if i told you that you re not who your family thinks you are what if you re not the person that people

around you see and hear what if the human being is in reality the fusing element of two worlds physical and spiritual what if in the human body you can find both physical and spiritual where the spiritual manifests physically what if what we call the mind as we know it is actually the gate through which the two worlds meet cross and exchange information what you are as a spiritual being can't be described in any human language what you are can't be seen by any human eyes what you say can't be heard by any physical ears you are the awareness in you the consciousness you are the love the joy and the happiness that bursts out of you you are the creator of your body and the creator of your own universe you are limitless you are wealth you are health you are all these things combined and more you are something that can only be felt through your physical body and you will feel you long before you finish reading this book this book is not religious it doesn't aim to favour one religion or discredit another if anything it's a tool for any religion that's been created from the beginning of humanity and helps explain phenomena that couldn't have been explained otherwise it supports science equally however it doesn't just support theories that are based purely on physical evidence though it may provide answers where these haven't been found yet if one is open to accepting a different point of view it was written to serve as a manual for life explaining how things become what they are and providing confidence and strength to teens getting ready to face the world on their own and to adults who feel lost without a purpose and in need of guidance toward a happy life

if you understand completely what i am going to tell you from this moment on your life will never be the same again earl nightingale this amazing message was first played for a group of salespeople at earl nightingale's insurance agency they were utterly electrified word of it spread like wildfire and everyone who heard it was positively ignited into action requests for a recording of the message came pouring in thousands of requests per week within no time more than 200 000 people had called written or just walked right into earl's office to request a copy as years went by that number soared above 1 000 000 today more than 65 years later the strangest secret remains one of the most powerful and influential messages ever recorded now in print updated with never before published content and a foreword by dave ramsey the strangest secret will inspire anyone in your organization to truly understand how to get from where you are to where you want to be

3 e books in one 12 disciplines of leadership excellence master the 12 disciplines of

powerful leadership and lead your organization to greatness leadership experts brian tracy and dr peter chee assert that great leaders are made not born everyone has the ability to shape himself or herself into the kind of person who enables and uplifts others to reach their highest potential and in 12 disciplines of leadership excellence they reveal exactly how to achieve it it all starts with discipline in this groundbreaking book the authors break down great leadership into 12 disciplines including clarity about who you are where you are going and how to get there control build and bolster your sense of personal responsibility and self mastery character dedicate yourself to passionately build trust with honesty and integrity competence commit to constant never ending improvement and learning caring because when you care your people care in building great working relationships courage moving out of your comfort zone to embrace change and make tough decisions coaching for breakthrough success a powerful new coaching method from chicken soup for the soul co creator jack canfield combining time tested principles of exemplary coaches with the latest disruptive techniques used by the world s top performing leaders coaching for breakthrough success is a playbook that shows you how to nurture in yourself and others the three essential requirements of coaching excellence 1 heart the coaching principles tcp unveils the secret to life impacting values beliefs and philosophies that permeate all aspects of great coaching 2 mind the situational coaching model scm unleashes the genius of a coach to apply the right combination of crucial paradigms in any given coaching challenge 3 energy the achievers coaching techniques act equips you with proven methods that enable you to deliver breakthrough results in coaching coaching for breakthrough success is packed with stirring personal stories life changing case studies crucial coaching conversations exemplary coaching questions and ready to use tools that equip you to achieve professional mastery in coaching becoming an effective mentoring leader turn mentoring into profits becoming an effective mentoring leader breaks down the essentials of mentoring and shows you how to take advantage of this valuable new workplace dynamic you ll learn the smartest way to incorporate mentoring into your day to day leadership role the fastest way to equip inspire and motivate your staff the differences between mentoring coaching and teaching how you as a leader can rate the mentors in your office and assess the progress of mentees using case studies tools and impactful learning concepts the authors show you how to use mentoring s core skills to create a winning approach tailored to your own style be it the reflective mentor the storytelling mentor or the example based mentor

an unabridged edition to include the text from both the audio and subsequent video version of earl nightingale s the strangestsecret considered one of the greatest motivational works ever compiled the strangest secret remains one of the most powerful and influential messages ever recorded it continues to transform thelives of everyone who hears and heeds it

discusses the meaning of success identifies the most common obstacles to achieving success and explores the noted author and radio broadcaster s time tested formula for making things happen

ever find yourself wishing things would just be different so you could feel good all the time what if you could discover how to feel good whenever you want the solutions are simple and in plain view get ready to feel great for a living in mastering the art of feeling good you can stop looking around now for something or someone to blame for your dissatisfaction in fact don t even blame yourself mastering the art of feeling good reveals the ingredients and teaches you the recipe for creating your exceptional life experience be assured that you possess absolutely everything you need to be successful mastering the art of feeling good will help you understand accountability and celebrates your power and the power of one it will assist in directing positive change to empower you with the mastery of your own inner feelings of peace joy and satisfaction that will directly result in also experiencing your desires and life dreams of the physical realm

the program lead the field has changed more lives brought about more success stories helped create more millionaires saved more careers important jobs and marriages than any other program ever produced

do you know the strangest secret to success do you want to live a richer life the strangest secret was discovered eons ago and its been told over and over to anyone who would listen have you heard it for yourself if you know this secret you can t help but be successful in everything you do it predicts your future success it explains any past failures you can accomplish anything you want if you know this health happiness all the riches you could want can be yours but you truly have to know and understand it nightingale accidentally started a new industry with this one recording he credited this one discovery for the foundation of his continuing success included in this special report is its audio recording along with other bonuses you can know this secret for yourself as the top five percent of your industry already does go ahead start today you have nothing to lose but your whole life to gain get your copy now

el único original el secreto más extraño de earl nightingale avalado por nightingale conant el secreto más extraño es mucho más que una herramienta de creación de riqueza es un manifiesto para la auto actualización y el trabajo con propósito en las propias palabras de nightingale el único hombre que tiene éxito es el hombre que está realizando progresivamente un ideal digno en este libro nightingale destila toda su vida de investigación sobre la motivación humana en una fórmula simple de éxito la misma que impulsó sus propios logros el secreto más extraño es una guía práctica para la prosperidad acelerada para que puedas llegar rápidamente a la cima y llegar a ser uno entre el cinco por ciento que tiene éxito en tu campo desafíate con la prueba de treinta días de nightingale para poner en práctica esta fórmula secreta de éxito en tu vida y traza tu propio camino hacia la productividad la independencia financiera y la realización personal habiendo crecido durante la gran depresión a earl nightingale le fascinaba la diferencia entre aquellos que alcanzan altos niveles de éxito personal profesional y

financiero y los que no dedicó su vida a buscar una receta para el éxito un medio para predecir el éxito en cualquier área de la vida mientras leía la línea en piense y hágase rico de napoleon hill que nos convertimos en lo que pensamos nightingale experimentó un momento decisivo de auto descubrimiento y como resultado llegó a experimentar la independencia financiera a la joven edad de treinta cinco años permite que este libro sea el catalizador de la transformación que buscas

about the author for so many years i lived with a poverty mindset i did not understand how people became a product of their community so easily until i realized i was in deep as well i always vowed to myself that i would not become incapable like the others for as long as i lived my family was in poverty there was no family business or no one in the family interested in breaking bad habits to stop generational curses my family accepted all negative news that they were unprepared for but could have been avoided with just a little knowledge and discipline financial discipline especially then i started to read self help books anything that will help me evolve and i was inspired by wayne dyer les brown jim rohn earl nightingale eric thomas and many more i decided i haven t lived my life yet i had a whole lot of revising to do i change my mindset i started to see things from a different advantage point i decided to change my life and i m happier than ever my spirit grew in the process i have a mind now it s no longer deceased read this book and you ll be motivated to create a life for yourself you re going to be able to push through any obstacles you come across once you read this story about the girl in poverty you re going to understand poverty a whole lot more read this book then take your life on an adventure if you re in poverty and depending on the system just because you haven t been taught how to fight for your dreams this book is for you you ll learn the first step out of poverty and how to become the best you that you can be

michael has a great ability to take complex information and make it simple for people to understand ordinary people extraordinary lives is a good read that you will not want to put down you will want to keep it close to you forever michael shares some of his life experiences that will entertain and amaze you his sense of humour and passion is evident in ordinary people extraordinary lives michael does not let his disabilities stand in the way of his success this is one of the reasons that michael is such a powerful mentor for you in these pages you have all the information you need to make a difference in your life it has been tried and tested ordinary people extraordinary lives will teach you how to live with passion achieve your dreams and most importantly live your life in a state of

happiness and joy you can do this it is not mysterious or complicated you can make a difference in your life and be a wonderful example for others michael will teach you how to dream believe and achieve whatever you want

buddha declared that the mind is everything what you think you become you become what you think about all day long is how ralph waldo emerson expressed it in the strangest secret the only personal development recording ever to receive a gold record earl nightingale reveals that the secret is you become what you think about using that principle you can create an entirely different world than you live in today bruce lee returned to the united states at the age of 18 with 100 in his pocket and the idea he often quoted that as you think you become by the time of his early death a scant 14 years later he had become a major motion picture icon and the father of mixed martial arts your subconscious mind is responsible for just about every major thing in your life you don t have to consciously think about breathing your heart beating walking or how to properly digest and metabolize the food you eat without the cooperation of your subconscious the deep recesses of your inner self change can be difficult to impossible you might consciously have tried to lose weight but if your subconscious mind was fixated on fattening food and how difficult exercise was the experience was probably a challenge or a dismal failure therefore changing one or more aspects of your life can t occur until you affect change on your subconscious in you become what you think about how your mind creates the world you live in vic johnson will take you step by step as he shows you how to harness and use the power of directed thought in your life
