to see the wizard politics and the literature of childhood takes its central premise as the title indicates from l frank baum s the wonderful wizard of oz upon their return to the emerald city after killing the wicked witch of the west the task the wizard assigned them dorothy the tin woodman scarecrow and lion learn that the wizard is a humbug merely a man from nebraska manipulating them and the citizens of both the emerald city and of oz from behind a screen yet they all continue to believe in the powers they know he does not have still insisting he grant their wishes the image of the man behind the screen and the reader s continued pursuit of the wizard is a powerful one that has at its core an issue central to the study of children s literature the relationship between the adult writer and the child reader as jack zipes perry nodelman daniel hade jacqueline rose and many others point out before the literature for children and young adults actually reaches these intended readers it has been mediated by many and diverse cultural social political psychological and economic forces these forces occasionally work purposefully in an attempt to consciously socialize or empower training the reader into a particular identity or way of viewing the world by one who considers him or herself an advocate for children obviously these wizards acting in literature can be the writers themselves but they can also be the publishers corporations school boards teachers librarians literary critics and parents and these advocates can be conservative progressive or any gradation in between it is the purpose of this volume to interrogate the politics and the political powers at work in literature for children and young adults childhood is an important site of political debate and children often the victims or beneficiaries of adult uses of power one would be hard pressed to find a category of literature more contested than that written for children and adolescents peter hunt writes in his introduction to understanding children s literature that children s books are overtly important educationally and commercially with consequences across the culture from language to politics most adults and almost certainly the vast majority in positions of power and influence read children s books as children and it is inconceivable that the ideologies permeating those books had no influence on their development if there were a question about the central position literature for children and young adults has in political contests one needs to look no further than the myriad struggles surrounding censorship mark i west observes for instance throughout the history of children s literature the people who have tried to censor children s books for all their ideological differences share a rather romantic view about the power of books they believe or at least they profess to believe that books are such a major influence in the formation of children s values and attitudes that adults need to monitor every word that children read because childhood and young adulthood are the sites of political debate for issues ranging from civil rights and racism to the construction and definition of the family indoctrinating children into or subverting national and religious ideologies the literature of childhood bears consciously political analysis asking how socialization works how children and young adults learn of social cultural and political expectations as well as how literature can propose means of fighting those structures to see the wizard politics and the literature of childhood intends to offer analysis of

the political content and context of literature written for and about children and young adults the essays included in to see the wizard analyze nineteenth and twentieth century literature from america britain australia the caribbean and sri lanka that is for and about children and adolescents the essays address issues of racial and national identity and representation poverty and class mobility gender sexuality and power and the uses of literature in the healing of trauma and the construction of an authentic self

this book is a welcome addition to the literature on children and the media and a most stimulating application of social theory to questions of the child in contemporary film and consumer culture ellen seiter author of the internet playground children s access entertainment and mis education since the 1980s a peculiar paradox has evolved in american film hollywood s children have grown up and the adults are looking and behaving more and more like children in popular films such as harry potter toy story pocahantas home alone and jumanji it is the children who are clever savvy and self sufficient while the adults are often portrayed as bumbling and ineffective is this transformation of children into little adults an invention of hollywood or a product of changing cultural definitions more broadly in coining for capital jyostna kapur explores the evolution of the concept of childhood from its portrayal in the eighteenth century as a pure innocent and idyllic state the opposite of adulthood to its expression today as a mere variation of adulthood complete with characteristics of sophistication temptation and corruption kapur argues that this change in definition is not a media effect but rather a structural feature of a deeply consumer driven society providing a new and timely perspective on the current widespread alarm over the loss of childhood coining for capital concludes that our present moment is in fact one of hope and despair as children are fortunately shedding false definitions of proscribed innocence both in film and in life they must now also learn to navigate a deeply inequitable antagonistic and consumer driven society of which they are both a part and a target
