the cosmotheandric experience is not a christian or an indic or a buddhist study but an interdisciplinary study with a firm foundation it aims at an integration of the whole of reality we have to reconstruct the body of prajapati even if some of the

parts feel unworthy are shy or run away we have to think of all of the fragments of the present world in order to bring them together into a harmonious though not monolithic whole the cosmotheandric principle which the author advocates could be formulated by saying that the divine the human and the earthly are three irreducible dimensions which constitute the real

raimon panikkar has lived on the boundaries between euro america and asia hinduism buddhism and christianity philosophy science and theology mysticism and prophecy for him our old habits of mind have been dying for several generations outmoded by the arrival of a new way of intuiting reality panikkar calls this intuition the cosmotheandric experience this cosmotheandric experience enables us today to enter into the hermeneutic circles that for thousands of years have hindered persons of different faith traditions from truly understanding the central experience of other religious families the term denotes an intertwining of the cosmic the human and the divine all interpenetrating one another as different dimensions of the whole

an advaitic modernity raimon panikkar and philosophical theology poses raimon panikkar as a stimulating dialogue partner in postmodern philosophical theology who can help us rethink the relationship between transcendence and immanence through an advaitic critique of modernity andrew d thrasher argues that panikkar advaitic critique of modernity may transform several discourses such as how panikkar s cosmotheandric metaphysics may reshape a theology of religion and offer a religious interpretation of a relational ontology that builds on the heideggerian ontological tradition and how panikkar s metaphysics solves problems in heidegger s ontology

examines the history and development of ecological theological anthropology and how it engages human suffering so that people of faith can better understand the suffering inherent to earth s creative processes and that inflicted by human sin

raimon panikkar a companion to his life and thought is a guide to the life work and thought of raimon panikkar a self professed buddhist christian hindu philosopher and theologian a man of deep and wide learning and an extremely prolific

author panikkar is equally at home in various religious and cultural traditions and embodies in himself the ideals of intercultural intrareligious and interreligious dialogues this book explicates panikkar's basic vision of life as the harmonious rhythm of divinity humanity and the cosmos which he terms cosmotheandricism and shows how it permeates and illumines his articulations of the central christian doctrines given the complexity and difficulty of panikkar's thought this book is a welcome companion for a course on panikkar and for a general reader who wishes to understand one of the most profound and original thinkers of our time

this book develops a pentecostal ecological theology ecotheology by utilizing key pneumatological themes that emerge from the pentecostal tradition it examines the salient pentecostal and charismatic voices that have stimulated ecotheology in the pentecostal tradition and situates them within the broader context of christian ecumenical ecotheologies roman catholic orthodox protestant and ecofeminist the author advances a novel approach to pentecostal ecotheology through a pneumatology of the spirit baptized creation the charismatic creational community the holistic ecological spirit and the eschatological spirit of ecological mission significantly this book is the first substantive contribution to a pentecostal pneumatological theology of creation with a particular focus on the pentecostal community and its significance for the broader ecumenical community furthermore it offers a fresh theological approach to imagining and sustaining earth friendly practice in the twenty first century pentecostal church

embracing earth brings together original and seminal contributions by contemporary catholic spiritual and mystical writers who explore the christian view of nature and our place in it their writings address not only theological philosophical and spiritual parameters but specific concrete issues as well

il presente volume costituisce la raccolta degli interventi dei relatori al congresso di missiologia organizzato dalla pontificia università urbaniana e dall international association of catholic missiologists iacm il congresso svoltosi a roma dal 17 al 20 ottobre 2000 ha proposto una riflessione missiologica sul passato sul presente e sul futuro della missione cristiana
