this book is a detailed how to book on finding the career minded great employees you need to move your organization forward in a positive manner included in the book are samples of a hiring process manual an employee policy manual sample job descriptions using the ideas in this book may just save you a lot of blood sweat and tears no theory here just proven ideas that have worked

trb s transit cooperative research program tcrp report 139 guidebook for recruiting developing and retaining transit managers for fixed route bus and paratransit systems explores resources for fixed route bus general public demand response and americans with disabilities act ada paratransit systems resources to assist in the recruitment development and retention of managers the guidebook is accompanied by crp cd 77 which provides model job descriptions for 32 broad job titles that indicate the structure and content for job descriptions for manager jobs the cd rom is also available for download from trb s website as an iso image a separate report presenting the research methodology the results of a literature review and the results from focus groups held with 15 other non transit public and private sector organizations used in production of trcp report 139 is available online

this is the second book based on a series of conferences held under the auspices of the united nations institute for training and research unitar and the institute of policy studies ips of singapore on various aspects of un peace keeping operations this new book covers the 1995 conference which dealt with the role and functions of civilian police and brought together nine of the eleven police commissioners involved in past and present un peace keeping operations as well as heads of national police policy makers un staff lawyers and academics the book is divided into two segments the executive summary followed by the papers presented the executive summary a concise and frank synthesis of debates is divided into five parts as follows

part 1 provides an overall introduction to the current problems and the general background within which civilian police components of un peace keeping operations are required to function part ii presents an outline of the common problems and challenges faced by many police commissioners in the conduct of their mandates part iii highlights some of the key attributes and functions of civilian police notably in the areas of institution building human rights monitoring and community policing part iv reviews existing training at national regional and international levels and part v offers general recommendations

peacekeeping emerged in the post cold war period as the most prominent un activity this is largely because governments have come under increasing scrutiny criticism for failure to adhere to a growing body of international standards however while world opinion is more willing to consider intervention in principle it is also increasingly leery about mil intervention in practice except in extreme cases chapters the search for a new european architecture commonwealth of independent states africa the americas peacekeeping in asia range of organizations available

this report follows up on an interim report released in february 2004 that focused on immediate needs in the areas of animal care and management recordkeeping and pest control the report finds that the zoo has made good faith efforts to correct deficiencies noted in the interim report and has made some noticeable improvements in the past year in zoo operations and animal care however problems in areas such as staff training workplace culture and strategic planning still need to be addressed specifically the report recommends that the zoo immediately develop and implement animal care training programs to ensure that people who are directly responsible for the well being of its animal collection are adequately prepared and competent the report commends a zoo initiated strategic planning process as a positive step but recommends it contain a more detailed comprehensive strategy of how it will meet short term goals and that it should link plans to upgrade facilities with those to acquire animals the zoo should also focus on improving communication among keepers veterinarians nutritionists senior managers and curators
