first published in 1958 poets grammar treats of a few grammatical forms and inflexions as they function in the work of some english poets and dramatists for this purpose the author is less concerned with the primary meaning of the word grammar as given by shorter oxford dictionary namely that department of the study of language which deals with its inflexional forms or their equivalents with the rules for employing these correctly than with that subordinate

meaning of the word as defined by the same dictionary namely an individual's manner of using grammatical forms the book discusses important themes like tense in medieval pageant and poem pronoun and verb in shakespeare elizabethan and jacobean personal insights shelly and the future tense and preposition in poetry and translation this is an interesting read for scholars and students of english literature and english poetry

in this wide ranging and ambitiously conceived research companion contributors explore shakespeare's relationship to the classic in two broad senses the essays analyze shakespeare's specific debts to classical works and weigh his classicism's likeness and unlikeness to that of others in his time they also evaluate the effects of that classical influence to assess the extent to which it is connected with whatever qualities still make shakespeare himself a classic arguably the classic of modern world literature and drama the first sense of the classic which the volume addresses is the classical culture of latin and greek reading translation and imitation education in the canon of pagan classics bound shakespeare together with other writers in what was the dominant tradition of english and european poetry and drama up through the nineteenth and even well into the twentieth century second and no less central is the idea of classics as such that of books whose perceived value exceeding that of most in their era justifies their protection against historical and cultural change the volume's organizing insight is that as shakespeare was made a classic in this second antiquarian sense his work's reception has more and more come to resemble that of classics in the first sense of ancient texts subject to labored critical study by masses of professional interpreters who are needed to mediate their meaning simply because of the texts growing remoteness from ordinary life language and consciousness the volume presents overviews and argumentative essays about the presence of latin and greek literature in shakespeare's writing they coexist in the volume with thought pieces on the uses of the classical as a historical and pedagogical category and with practical essays on the place of ancient classics in today's shakespearean classrooms

this book offers a close philosophical reading of king lear and timon of athens which provides insights into the groundbreaking ontological discourse on poverty and money analysis of the discourse of poverty and the critique of money helps to read shakespeare philosophically and opens new reflections on central questions of our own time

provides image and full text online access to back issues consult the online table of contents for specific holdings

a shortened version of a comprehensive grammar of the english language especially aimed at students of grammar in colleges and universities drawing on linguistic research and including coverage of the differences between written and spoken english and between british and american english

into this volume c k stead gathers a selection of his essays from the past decade mixing literary criticism with autobiography he reviews the work of other writers meditates on the teaching of literature

revisits some controversies and explores literary history always interesting the essays travel through time and space from janet frame to barry humphries birthday to paul theroux and telling the truth to shelley s constantia on a brilliant carpet of scholarship and wit
