sujiken from japanese sujikai literally diagonal is a variation of sudoku invented by george heineman usa the puzzle consists of a triangular grid of cells containing digits from 1 to 9 the objective is to fill a grid with digits so that each cell contains a digit and no digit is repeated in any column row and diagonal in any direction also no digit occurs twice in any of the three larger 3 x 3 square regions and any of the three larger triangular regions enclosed by thick borders logic puzzle logic puzzle books for adults puzzle books logic adult logic puzzle book logic puzzle game logic grid puzzle books logic stacking puzzle math puzzle books for adults puzzle math math puzzle games math jigsaw puzzle math puzzle book math puzzle for adults math puzzle adult

not for experts only these four popularly priced helpings of puzzle fun come straight from the los angeles times not only are these puzzles more mainstream than the ones in the new york times but each book has a whopping 72 crosswords not the mere 50 of competing volumes and they re one dollar less than the competition so you ll get more enjoyment for your money the stay open lie flat specially reinforced spiral binding makes it easier to work on the puzzles anywhere too

sign in is played on a square grid the goal is to fill in each cell with numbers from 1 to n where n is the size of the puzzle s side no number may appear twice in any row or column some digits may be given at the start if absolute difference between two digits in neighboring cells equals 1 then they are separated by a sign or if a border between cells contains a sign a digit in a left or upper cell is one lower than a digit in a right or lower cell

if a border between cells contains a sign a digit in a left or upper cell is one bigger than a digit in a right or lower cell all instances of consecutive digits are shown by these signs

library has 1983

what's better than crosswords that's right crosswords with no vowels at first these challenging but fiendishly fun puzzles look like the usual crossword but there's a devilish twist you write only the consonants in the boxes not the vowels so when you look at the grid there's no quick way to know exactly how many letters make up the right solution plus because you don't need as many spaces for each word the phrases can be longer than usual and that makes the grids wide open and ratchets up the difficulty level for those who need a little extra help there's a hints section to tear out and refer to when needed as well as grids with wordlists explaining with vowels what the answers are
