go books offers an in depth look into some of the most popular and informative books of the last two decades whether you are using these books as a study guide reference material further connection to the original book or simply a way to retrieve the content and material faster our goal is to provide value to every reader this summary book breaks down all the big ideas key points and facts so the reader can quickly and easily understand the content in this book you will find sumary of the book background information about the book background information about the author trivia questions discussion questions note to readers this is an unofficial summary analysis of herb cohen s book you can negotiate anything how to get what you want designed to enrich your reading experience

herb cohen believes the world is a giant negotiating table with this approach cohen shows that negotiating is a process you can understand and predict and most importantly that it s a practical skill you can learn and improve upon

the secrets of winning in negotiations the purpose of this book is to teach you the many areas and aspects of the negotiation process in so doing you can acquire the necessary skills or tools identity your strong and weaker areas and pinpoint and improve the problematic areas

this book will teach you about the game of negotiation and to play to win without stepping on other people the goal is win win by getting what you want and likewise making sure the other parties don't lose either this book will level up your game and it will help you see negotiations as an exchange of values rather than manipulation and one upmanship you will learn the following prepare yourself for negotiation tools for successful negotiation building your negotiation process set goals limits be a good listener be clear communication a key skill of a good negotiator stay calm while conducting the meeting push the pause button closing the deal putting your ideas into action handling all types of negotiations effective ways to improve your negotiation skills elements of successful negotiating skills international negotiations negotiations among men women negotiation over the phone and the internet elements influencing the negotiation process setting your goals and planning to achieve them envisioning your future making a commitment identifying your values planning ways to achieve your vision the 3 year plan maximizing gains must be your main aim behind the negotiations dressing for success mapping the opposition gathering information setting a good goal setting the opening offer setting enforcing limits components for a successful business negotiation how to convey your message to the other person when you have decided to walk away the role of listening in the negotiation process strategies to succeed with difficult customers during negotiation asking the right questions battling the jargon guidelines to ask quality questions role of body language while listening tune in with your inner voice being crystal clear by expressing your views organizing your thoughts keep your commitments write it down encouraging others to clarify capturing the audience barriers to clarity turn off the anger buttons by pushing the pause buttons human beings are full of emotions responses your attitude plays a big role during a negotiation dealing with discouragement dealing with difficult situations and people things that can help you enhance your negotiation outcomes closing the deal the glory moment assessing the deal win win deals psychological barriers to closing and much much more benefit and download this book today tags best negotiation books negotiation genius negotiation skills how to negotiate art of negotiation negotiation yes salary negotiation century negotiations negotiation styles essentials of negotiation business negotiation contract negotiation real estate negotiation hostage negotiation negotiation never split the difference negotiation skills training negotiation training negotiation techniques negotiation case studies negotiation books negotiations the art of negotiation how to negotiate anything you can negotiate anything negotiate books negotiate negotiate like your life depended on it

most of us worry that we're not very good negotiators too quick to concede or too abrupt in our approach but negotiation is present in almost every social interaction we cannot avoid it neale and lys present a practical new approach that will help you master this crucial everyday skill in every situation instead of focusing on reaching agreement at any cost neale and lys reveal how to overcome our psychological biases and assess the hidden value in any negotiation they explain how to know what a good deal is when to negotiate and when to walk away why keeping a straight face can prevent you from getting the best deal when to make the first offer and when to wait and why meeting in the middle can result in both sides being worse off drawing on three decades of ground breaking research into behavioural economics psychology and strategic thinking getting more of what you want will revolutionise the way you approach negotiation whether

you're looking for a better deal on your new car asking for a pay rise selling your company or just deciding who does the washing up this book will help you become a more successful more efficient negotiator and get more of exactly what you want

negotiation is a practice that not everyone approves of it there are those who hate it because they think it is too confrontational or simply they don't want to be bothered this book will show you how negotiations in everyday transactions do not necessarily have to be confrontational instead they can be fun becoming a master negotiator therefore requires that you develop certain qualities such as problem solving abilities confidence and the flexibility to change tactic during the negotiation process practice always makes perfect and the more time and resources you put into the negotiation planning the higher the chances that you will succeed and get what you want remember that you are not the only one on the negotiation table but rather a party to a wide range of interests and perspectives try to accommodate the views and concerns of the other people by listening carefully to what they are saying do not try to win every argument because this can make you look aggressive and rude from the perspective of your opponent on the contrary strive to make your argument reasonable and fair across the board the guidelines illustrated in this book will teach you a new way of dealing with people regardless of how difficult or insensitive they are you will become a better negotiator in both the simple and complex day to day negotiations that many people fear in a negotiation process every person is significant and there is no ultimate decision maker do not dictate what needs to be done and the perspective to be followed instead win people over to your side through the simple tactic of communication skills be open to positive criticism and do not take anything personal being calm and composed will position you at a vantage point to win any negotiation

people who have the skills to negotiate are usually always on top of their game they can sell almost anything effortlessly when a business opportunity comes up they are always the first ones to make the first move and end up being successful in their endeavors in this book negotiation how to successfully negotiate anything technique motivation sales business and money you will be immersed in the most effective methods to becoming an expert in negotiating this will harness the skills you already have in you and boost your confidence whenever you have personal or business engagements this book will show you common types of negotiations basics of negotiation effective negotiation strategies tips for negotiating a job offer tips for negotiating sales tips for negotiating with creditors tips for negotiating large purchases this guide will help you become more of a people person and will allow you to perform as best as you can and get the most out of what life has to offer all you need to do is follow these techniques practice often do more research and come out a winner every single time it doesn't matter if you're a man or a woman anyone can do it and be good at it if you only try it's time to get out of your shell and face your prospects with more courage and win them over you'll be surprised that more people will come to you because they see integrity in you so what are you waiting for scroll up to get your own copy of negotiation how to successfully negotiate anything technique motivation sales business and money today don't forget to click the buy button
