the story of hungary s participation in world war ii is part of a much larger narrative one that has never before been fully  
recounted for a non hungarian readership as told by deborah cornelius it is a fascinating tale of rise and fall of hopes dashed and  
dreams in tatters using previously untapped sources and interviews she conducted for this book cornelius provides a clear

account of hungary s attempt to regain the glory of the hungarian kingdom by joining forces with nazi germany a decision that today seems doomed to fail from the start for scholars and history buff s alike hungary in world war ii is a riveting read cornelius begins her study with the treaty of trianon which in 1920 spelled out the terms of defeat for the former kingdom the new country of hungary lost more than 70 percent of the kingdom s territory saw its population reduced by nearly the same percentage and was stripped of five of its ten most populous cities as cornelius makes vividly clear nearly all of the actions of hungarian leaders during the succeeding decades can be traced back to this incalculable defeat in the early years of world war ii hungary enjoyed boom times and the dream of restoring the hungarian kingdom began to rise again caught in the middle as the war engulfed europe hungary was drawn into an alliance with nazi germany when the germans appeared to give hungary much of its pre world war i territory hungarians began to delude themselves into believing they had won their long sought objective instead the final year of the world war brought widespread destruction and a genocidal war against hungarian jews caught between two warring behemoths the country became a battleground for german and soviet forces in the wake of the war hungary suffered further devastation under soviet occupation and forty five years of communist rule the author first became interested in hungary in 1957 and has visited the country numerous times beginning in the 1970s over the years she has talked with many hungarians both scholars and everyday people hungary in world war ii draws skillfully on these personal tales to narrate events before during and after world war ii it provides a comprehensive and highly readable history of hungarian participation in the war along with an explanation of hungarian motivation the attempt of a defeated nation to relive its former triumphs

This is likewise one of the factors by obtaining the soft documents of this **A Magyar Honvedseg A Masodik Vilagaboruban** by online.
