a history of africa is a thorough narrative history of the continent from its beginnings to the twenty first century long established at the

forefront of african studies this book addresses the events of the 1990s and beyond the issues discussed include post apartheid south africa the prospects for democratization in africa at the beginning of the new millennium developments in muslim north africa including the threat of islamic fundamentalism economic and social developments including the devastating impact of third world debt and the provision of debt relief cultural environmental and gender issues in modern africa

henry edward o neill was british consul in mozambique from 1879 to 1889 he completed thirteen exploratory journeys in northern mozambique including the first exploration of the makua and lomwe countries between mozambique island and lake malawi this recreation of the book which he never published makes available for the first time a large body of information on the peoples of northern mozambique a region still little researched on the history of the slave trade in the western indian ocean and on the expansion of portuguese rule and the resistance to it by powerful local communities the introduction includes the first ever biographical study of o neill and his contribution to african exploration

this is the standard account of the economic history of the vast area conventionally known as west africa ranging from prehistoric time to independence it covers the former french as well as british colonies

a comprehensive analytical survey of the multidimensional evolution of black political thought in south africa s politicization process choice many citizens experience a sense of reluctance to share a single national identity with all of those who are defined by law to be their compatriots this problem can be explained and surmounted but it cannot be evaded by those who aspire to build a stable democracy in south africa richard l sklar from the foreword what will it mean to be a citizen in the new south africa this penetrating study analyzes the issues of dual citizenship black consciousness populism racial proletarianization and their interaction with various political ideologies halisi s analysis has practical implications for the development of political identity in the new south africa

alice greene 1858 1920 overcame parental opposition to higher education qualified as a teacher and in 1887 accepted a post at the collegiate school for girls in port elizabeth south africa another teacher was elizabeth molteno the eldest of 18 children of sir john charles molteno the

first prime minister of cape colony death in 1920 and their letters as this relationship developed make fascinating reading alice s letters described events at school frequently with a humorous note her travels to up country farms and towns during school holidays while letters from the family kept her abreast of their activities in england and elsewhere after the jameson raid at the end of 1895 she became interested in south african politics leading to her distrust of cecil rhodes and the actions of the british government her eldest brother w graham greene was a senior official in the admiralty in london and their differing views led them to agree to disagree were certainly a factor and moved to cape town where they became active in the women s movement to help the boer women and children in the camps this led to friendship with emily hobhouse who did so much to make the british public aware of conditions in the camps

this text demonstrates that regionalization assumed to have no effect or presence in africa is alive and well on that continent africa s regionalization processes are closely intertwined with changing patterns of globalization where africa is increasingly incorporated on a subordinate basis into the emerging global order

includes proceedings of the executive council and list of members also section review of books

beginning in 1895 includes the proceedings of the east india association
