in the eye of the animal zoological imagination in ancient christianity complicates the
role of animals in early christian thought by showing how ancient texts and images
celebrated a continuum of human and animal life

unlike some other reproductions of classic texts 1 we have not used ocr optical
character recognition as this leads to bad quality books with introduced typos 2 in
books where there are images such as portraits maps sketches etc we have
endeavoured to keep the quality of these images so they represent accurately the
original artefact although occasionally there may be certain imperfections with these
old texts we feel they deserve to be made available for future generations to enjoy
