the système d writing assistant software program provides learners with rapid access to language reference materials

costa rica has recorded many social and economic achievements and currently enjoys one of

the highest levels of well being in the oecd but progress has come to a standstill in most recent years and challenges have emerged along several social and labour market dimensions

costa rica recovered well from the pandemic induced recession sustained and resilient export performance continues to support growth while consumption is hindered by high inflation and unemployment the fiscal situation improved but remains challenging requiring sustained efforts to contain spending and boost public sector efficiency for several years

costa rica s social and economic progress has been remarkable over the last 30 years growth has been steady and gdp per capita has tripled a strong commitment towards trade openness has been key to attract foreign direct investment and move costa rica up in the global value chain costa rica faces substantial challenges to retain achieved successes and to continue converging towards higher living standards the fiscal situation remains a critical vulnerability

city of flowers is an ethnographic study of social and economic change in costa rica rather than investigate how macroeconomic forces bear down on workers and households this book explores how individuals and households give meaning and shape to neoliberalism as it evolves over time drawing on twenty years of field work and 100 life histories of people living in one costa rican city the book considers how individuals in four different class locations negotiate the economic changes going on around them author susan e mannon argues that these responses are bound up in class race and gender aspirations and anxieties city of flowers is a volume in the issues of globalization case studies in contemporary anthropology series which examines the experiences of individual communities in our contemporary world each volume offers a brief and engaging exploration of a particular issue arising from globalization and its cultural political and economic effects on certain peoples or groups

the oecd review of gender equality in costa rica towards a better sharing of paid and unpaid work is the fourth in a collection of reports focusing on latin american and the caribbean countries and part of the series gender equality at work the report compares gender gaps in labour and educational outcomes in costa rica with other countries particular attention is put on the uneven distribution of unpaid work and the extra burden placed on women it investigates how policies and programmes in costa rica can make this distribution more equitable the first part of the report reviews the evidence on gender gaps and their causes including the role played by social norms the second part develops a comprehensive framework to address these challenges presenting a broad range of options to reduce the unpaid work burden falling on women and to increase women s labour income earlier reviews in the same collection have looked at gender equality policies in chile 2021 peru 2022 and

colombia 2023

nonfiction this book joins current debates over postmodernity and globalization and their application to latin american and u s latino questions the essays and art works presented trace latin america s space and supposed peripheral place in a post cold war new world order where controlled democratization and neo liberal policies highlight growing trends of ungovernability and dis order

includes statistics

labour market institutions including collective bargaining the regulation of employment contracts and pension and other social protection policies are instrumental for improving the well being of workers and their families as well as societies yet in many countries these institutions have been eroded in other countries they do not exist this edited volume examines the importance of these institutions for ensuring equitable income distribution including with empirical examples from both developed and developing countries it also analyses the connections between macroeconomic policies and inequality as well as how specific groups women migrant workers youths are affected by labour market institutions
