a veteran board certified pharmacist cites the high number of annual deaths associated with prescription drug side effects

calling for changes in prescription practices that account for the needs of aging bodies

fifteen year old vanessa young began taking prepulsid after her doctor prescribed the billion dollar selling drug to alleviate a stomach disorder neither she nor her parents had any reason to suspect the drug might pose a risk the doctor had prescribed the drug without concern nothing in the literature from the manufacturer warned of complications on march 19 2000 vanessa died shattered by grief and angry beyond belief terence young began a long fight to find out why the answer prepulsid the prescription drug the teenager had been assured would relieve her symptoms had in fact killed her not content to know why young determined to battle the industry to make sure this kind of tragedy never happened again then a successful businessman and former member of parliament young pursued answers with a kind of quixote like obsession the truth is as he would find out that every year hundreds and hundreds of people die as a result of complications from prescription drugs and most of these companies attentive only to their own bottom line simply don t care death by prescription is the unforgettable story of his fight to find justice for his daughter and a shocking wake up call to the millions of patients out there who are potential victims of the greedy pharmaceutical companies that put profits ahead of patients
