do you ever find yourself wondering if there is more to life than the life you are currently
living are you looking to live a life that is more fulfilling or for a way to feel more connected
with your authentic self if you truly want to be happier and live a life that is more meaningful
you must be willing to make the necessary changes that will allow you to live the life you've
always imagined this change can be as simple as changing your morning routine author linda
callahan describes the changes she made to her morning routine and the positive changes that
occurred as a result her mornings now begin with intention meditation gratitude reading
exercise affirmations and time for self care a routine she refers to as her i m g r e a t routine in
addition she finds time to journal every day because journaling allows her the opportunity to
connect to her inner soul i m great every day a guided journal for creating a better self is a two
part journal that will take you through a journey of self discovery in the first half of this book
you'll learn why it's so important to include each of these practices into your daily routine in
the second half of the book you'll be given one hundred journaling pages in which you can
practice the skills you learned in the first part of the book you'll learn exactly what you need

to do in order to turn your dream of today into your reality for tomorrow you ll love the simplicity of this journal because all of your writing can be recorded in the same place if i m g r e a t every day a guided journal for creating a better self can make a difference in one person s life then it can make a positive difference in your life too

a life changing guided journal that improves mindfulness self care and organization the 4 key changes for you to discover discover who you are have you ever given much thought to who you are tell me about yourself the question we ve all heard at parties job interviews or meetings of different kinds how do you answer it what do you say who are you be aware of your thoughts beliefs attitudes emotions and perceptions that lead your life be familiar with the old self before you get familiar with the new self discover new captivating ways to your new self and how to change your daily habits who do you want to be how do you want to feel what do you want to accomplish and how do you plan on reaching your goals organize yourself through a daily planner that lasts for 77 days effectively build your daily routine and check how productive each day is why is the discover improve yourself working over other journals contains the most provocative exercises ideal for organizing your day makes you extremely creative obtain the much needed inspiration through amazing motivational quotes helps you stay positive and motivated every day has the perfect paperback size to take it with you anywhere and everywhere 124 pages at 6 x 9 it fits in your backpack purse or laptop bag there is no wrong or right in life there s just you your thoughts your feelings your beliefs so know that you are already a winner it s who you are that matters and not who others think you should be relax take your time and you ll see that the answer will come to you write from the heart no polishing thoughts no second guessing ideas use this guided journal as a record of your journey to self discovery mindfulness and positivity take hold of who you are own yourself and love yourself for who you are buy it now with confidence change your life and make the world a better place looking for that thoughtful gift for your friends family and colleagues on occasions such as birthdays christmas mother s father s day valentine s day finally a gift that s truly different and life changing who would you buy it for

during these uncertain times recording your feelings and memories during the global pandemic is important journaling can help quell anxiety and these memoirs will be a tangible piece of history that you can look back on years from now if you are currently quarantined and or social distancing chances are probably pretty good that you have some extra time on your hands use some of that time to fill out this guided journal each daily page contains prompts for the date weather how you are feeling what activities you did that day and something positive that you are grateful for that day this journal is appropriate for both kids and adults while not specifically a gratitude journal this journal focuses on positivity while acknowledging that is okay to feel scared or worried 6x9 inch notebook for mindful letters 120 white papers for optimist words ruffled pages for positive thoughts

understand where your negative self image bad habits and unhealthy thoughts come from

know yourself to change yourself embrace the life changing transformation potential of journaling through the context of journaling zoe mckey takes a closer look at the false beliefs and unconscious behaviors that once left her feeling unworthy misunderstood and overwhelmed she then presents the practical strategies that helped her move past them she provides a gentle push to become the joyful smart and good person you were meant to be you might think you don't know how and what to write in a journal you don't have enough time you fear for your privacy you don't believe that writing your thoughts will do anything the mind changing habit of journaling will challenge these beliefs and help you adopt a safe sustainable time friendly guided journaling method you will learn and discover the root cause of your current problems and how to fix them how to practice gratitude as a daily ritual and have a more optimistic outlook on life how to love others the way they want to be loved and how to request the same how to find your true values and stop living for other people's expectations no taboos and no get change quick and easy promises just the painful honesty of personal awakening through journaling stop the arguments with yourself and others learn to stop blaming others loathing yourself and acting with responsibility and self respect instead learn about the key signs of emotional immaturity how to overcome them and become the best version of yourself learn to harness the lessons of your painful experiences and use them as an empowerment tool to build character and strength this book shows you how to use the ultimate self healing tool of journaling to find your own answers to your most pressing problems discover your true self and lead a life of growth mindset also benefit from the many scientifically proven benefits of journaling reduce mental anxiety physical pain and stress heal emotional wounds from past traumas practice self compassion self love and self understanding overcome your limiting beliefs and fears reconnect with your true self and solve your inner conflicts do you go through a painful breakup did you lose your job did you just have an earth shattering realization about yourself and you don't know what to do with it use the transformative power of expressive writing in this book to heal from painful and stressful life events enhance your mental well being and self care learn how to put yourself first in a non selfish way to live a life of joy compassion love and growth
