f scott fitzgerald named it louis armstrong launched it paul whiteman and fletcher henderson orchestrated it and now arnold shaw chronicles this fabulous era in the jazz age spicing his account with lively anecdotes and inside stories he describes the astonishing outpouring of significant musical innovations that emerged during the roaring twenties including blues jazz band music torch ballads operettas and musicals and sets them against the background of the prohibition world of the flapper the jazz age set the sound of popular music into the 1950s it included the flowering of improvised music by such artists as armstrong bix benderbecke and duke ellington the maturation and americanization of the broadway musical theatre the explosion of the arts celebrated in the harlem renaissance the rise of the classical blues singers starting with mamie smith and climaxing with bessie smith the evolution of ragtime into stride piano the spread of speakeasy night life and the emergence of the cabaret singers the musical creativity of a whole range of composers and songwriters including kern gershwin berlin youmans rodgers and hart and cole porter whom shaw calls song laureate of the roaring 20s here is a lively account of all these significant developments and personalities a bibliography detailed discography and two informative lists songs of the 20s in variety s golden 100 and films featuring singers and songwriters of the era round out the book

pearl harbor jazz change in popular music in the early 1940s by peter townsend this book is a study of a crucial period in the life of american jazz and popular music pearl harbor jazz analyzes the changes in the world of the professional musician brought about both by the outbreak of world war ii and by long term changes in the music business in popular taste and in american society itself it describes

how the infrastructure of american music the interdependent fields of recording touring live engagements radio and the movies was experiencing change in the conditions of wartime and how this impacted upon musical styles and hence upon the later history of popular music successive chapters of the book examine the impact of these changed conditions upon the songwriting and music publishing industries upon the world of the touring big bands and upon changing conceptions of the role of jazz and popular music not only the economic conditions but also ideas were changing the book traces a movement among writers and critics which created new definitions of jazz and other terms that had a permanent influence on the way musical styles were thought of for the rest of the century the book deals in some depth with the work of a number of important artists in these various fields including duke ellington charlie parker johnny mercer and frank sinatra it also looks at the growing presence of bebop the rise of country music and the contemporary musical scenes in such locations as new york and los angeles the book combines detail of the day to day working lives of musicians with challenging views of the long term development of musical style in jazz and popular music peter townsend lectures at manchester metropolitan university and in the school of music at the university of huddersfield england

the double bass the preferred bass instrument in popular music during the 1960s was challenged and subsequently superseded by the advent of a new electric bass instrument from the mid 1960s and throughout the 1970s a melismatic and inconsistent approach towards the bass role ensued which contributed to a major change in how the electric bass was used in performance and perceived in the sonic landscape of mainstream popular music investigating the performance practice of the new melodic role of the electric bass as it appeared and disappeared in the 1960s and 1970s the book turns to the number one songs of the american billboard hot 100 charts between 1951 and 1982 as a prime source through interviews with players from this era numerous transcriptions elaborations of twenty bass related features are presented these are juxtaposed with a critical study of four key players who provide the case studies for examining the performance practice of the melodic electric bass this highly original book will be of interest not only to bass players but also to popular musicologists looking for a way to instigate methodological and theoretical discussions on how to develop popular music analysis

an original resource on rock and pop musical theatre and jazz to support students studying the revised wjec as and a level music specification

hearing luxe pop explores a deluxe production aesthetic that has long thrived in american popular music john howland presents an alternative music history that centers on shifts in timbre and sound through innovative uses of media orchestration and arranging he travels from symphonic jazz to the great american songbook teenage symphonies of the motown label and 1960s girl groups to the emerging countrypolitan sound of nashville the sunshine pop and baroque pop of the beach boys to the blending of soul and funk into 1970s disco the hip hop with orchestra events of jay z and kanye west to indie rock bands with the brooklyn philharmonic the luxe aesthetic merges popular music idioms with lush string orchestrations big band instrumentation and symphonic instruments this book attunes readers to hearing the discourses that gathered around the music and its associated images and in turn examines pop s relations to aspirational consumer culture spectacle theatricality glamour sophistication cosmopolitanism and classy lifestyles

this guide to as level music includes ideas on how to integrate skills in understanding music with work in performing composing questions that students can use to check their understanding summaries of the full specifications and coverage of all the set works prescribed for the areas of study

jazz has often been identified with bebop the style that began as a daring departure from the conventions of swing this collection of essays looks into this jazz mainstream the greatness of its sources and the sterility of performances that adhere too closely to the styles of days past

with friends or foes norman saul continues his monumental multivolume magnum opus on u s russian relations over the course of 200 years this fourth volume provides the first comprehensive study in any language of an era that shaped the rest of the century and captures the major changes in relations between two nations on the verge of becoming dominant global powers among other things saul

examines the rationale for america s failure to recognize the soviet government through the early 1930s analyzing the impact of the red scare and the roles of the state department russian émigrés religious groups and key individuals like charles evans hughes robert kelley herbert hoover boris skvirsky olga kameneva and maxim litvinov on the policy process in addition he recalls the american relief administration s gigantic effort to help russian peasants and garners new material from american business records on concession arrangements and commerce and on soviet responses during the first five year plan he also records travelers impressions cultural exchange and the role of academia in each country particularly the contribution of russian émigré scholars to american education and the contributions of american journalists in russia saul also reveals the tendency on both sides to preserve an atmosphere of secrecy conducting business behind closed doors and rarely on paper his prodigious research in the hoover presidential library the franklin roosevelt library and the hoover institution at stanford university incorporating overlooked diplomat post records and featuring an interview with george kennan on his diplomatic role has yielded a wealth of new insights into what really happened during a period in the history of the relations between the two countries that remains mysterious and controversial breaking new ground in diplomatic economic social and cultural history saul s book illuminates both the mutual fascination that briefly permitted peaceful coexistence and eventual alliance and the ideological battles that ultimately led to the cold war

this book responds to recent debates on cultural participation and the relevance of music composed today with the first large scale audience experience study on contemporary classical music through analysing how existing audience members experience live contemporary classical music this book seeks to make data informed contributions to future discussions on audience diversity and accessibility the author takes a multidimensional view of audience experience looking at how sociodemographic factors and the frames of social context and concert format shape aesthetic responses and experiences in the concert hall the book presents quantitative and qualitative audience data collected at twelve concerts in ten different european countries analysing general trends alongside case studies it also offers the first large scale comparisons between the concert experiences and tastes of contemporary classical and classical music audiences contemporary classical music is critically discussed as a high art subculture rife with contradictions and conflicts around its

cultural value this book sheds light on how audiences negotiate the tensions between experimentalism and accessibility that currently define this genre it provides insights relevant to academics from audience research in the performing arts and from musicology as well as to institutions practitioners and artists

appell jazz studies diablo valley college and hemphill graduate studies research and development san francisco state university offer a textbook for popular music humanities or cultural studies courses organized by the musical influences of particular cultural groups african american european american latin native american and asian rather than a strict chronological approach this is followed by a section tracing modern jazz to hip hop they survey a broad range of styles from minstrelsy blues hymns and wind bands to chicano music afro caribbean music bebop acid jazz girl groups folk rock the british invasion r b and rock

reviews the evolution of popular music from the mid 19th century highlighting connections contrasts and patterns of influence among artists and styles students gain new listening skills and the ability to place the music in context features additional coverage of country latin world and late 20th century music in a modular organization back cover

the world of music is a music appreciation book designed for instructors who want to focus on listening to music as it exists in the real world of their students expanding the traditional repertoire used for music study this popular text begins with american folk religious jazz popular and ethnic music before introducing some world music and concluding with a thorough overview of western classical music the approach captures the essence of each repertoire and equips students to recognize different styles appreciate their different functions and possess a solid foundation for a lifetime of musical appreciation

i have completed this manuscript just remember this or as american pop singers 1900 1950 about music before the 1950s in america it perhaps offers knowledge and insights not previously found in other musical reference books i have moreover been working on this book very meticulously over the past twelve plus years it started as a bit of fun and gradually became serious as i began to listen along with

the vocalists of popular music of the era before 1950 essentially just before the dawn of rock and roll if you can call it that indeed genre and labeling of american music started here and then from everywhere while the old adage of always starting from somewhere could be noted in every century the 1900s had produced the technology understanding the necessity more so finds a curiosity on the part of a general public hungry for entertainment despite 6 day work weeks world war i the great depression and world war ii
