designed for use in elementary and secondary social studies education courses
this book supports the teaching of social studies methods in a range of educational settings by highlighting long standing content and principles of social studies education in a concise and direct way
this volume offers the building

blocks of a comprehensive course for use as springboards to the effective presentation of professors desired course emphases with sections on foundations subject areas and best practices this text explains the intersection between the modelling role of social studies teachers as democratic citizens social studies fields of study and strategies implemented in the classroom to encourage students critical thinking and values formation

offering a fresh take on the purpose of social studies today james a duplass positions philosophical counseling as a way for teachers to engage students in thinking deeply about what it means to be a citizen in a democratic society the idea of a social studies education takes a uniquely humanistic approach to the idea of a social studies education to show how teachers can act as philosophical counselors in preparing students for active civic engagement duplass reminds the reader of the needs of students in modern society who seek to develop an identity worth living and the role social studies can play in students achieving that process by focusing on the cultivation of students autonomy authenticity efficacy and agency duplass approach avoids political biases and instead encourages critical thinking to decipher what a democratic ideology truly is

everything parents need to help their kids succeed in social studies the only comprehensive social studies skill building series available the get ready for social studies series equips proactive parents with the tools they need to help their children develop the core skills required to perform at grade level in social studies related subjects organized chronologically from pre history to the present this guide illustrates the developments in all parts of the world during each major time period including historical events and related economic developments as well as movements in art science technology and human thought

in many elementary classrooms social studies has taken a back seat to english language arts and mathematics in the wake of no child left behind and race to the top this volume is not another hand wringing lament on the contrary the elementary educators who have contributed to this volume have a positive set of stories to tell about how social studies can play a central role in the elementary classroom how teachers can integrate social studies knowledge and skills throughout the school day and how this learning can carry over into children s homes and communities the seven case studies in this book one at each elementary grade level highlight exemplary teachers in whose classrooms social studies is alive and well in this age of accountability at the end of each case study each teacher provides advice for elementary teachers of social studies our hope is that elementary teachers and prospective teachers elementary principals social studies supervisors staff developers and professors of elementary social studies methods who study the stories that we tell can be empowered to return social studies to its rightful place in the curriculum

the wiley handbook of social studies research is a wide ranging resource on the current state of social studies education this timely work not only reflects on the many recent developments in the field but also explores emerging trends this is the first major reference work on social studies education and research in a decade an in depth look at the current state of social studies education and emerging trends three sections cover foundations of social studies research theoretical and methodological frameworks guiding social studies research and current trends and research related to teaching and learning social studies a state of the art guide for both graduate students and established researchers guided by an advisory board of well respected scholars in social studies education research

my first second third fourth and fifth books of social studies a complete set of 5 books the books are well informative and entirely based on ncert cbse syllabus

discover key reading strategies for social studies texts and passages helps prepare children social studies testing
