addressing social inequalities promoting positive social learning opportunities and implementing programs that reduce the stigma associated with criminal behavior 4 Can the Lilly Framework be used to explain all types of crime The Lilly Framework is not a onesizefitsall explanation for all types of crime However it provides a robust framework for understanding a wide range of criminal behavior from petty theft to violent offenses 5 How can individuals contribute to the reduction of crime based on the Lilly Framework Individuals can contribute to reducing crime by promoting social inclusion fostering positive social interactions and challenging negative stereotypes associated with criminal behavior 3 They can also advocate for policies that address social inequalities and promote opportunities for all members of society
