recipient of the 2014 international association for relationship researchers book award this multidisciplinary text highlights the development of romantic relationships from initiation to commitment or demise by highlighting the historical context current

research and theory and diversity of patterns engagingly written with colorful examples the authors examine the joy stress power struggles intimacy and aggression that characterize these relationships readers gain a better understanding as to why even after the pain and suffering associated with a breakup most of us go right back out and start again relationships are examined through an interdisciplinary lens psychological sociological environmental and communicative perspectives are all considered end of chapter summaries lists of key concepts and additional readings serve as a review as a whole the book explores what precipitates success or failure of these relationships and how this has changed over time highlights of the book s coverage incorporates both cross sex and same sex romantic relationships examines the roles of gender race class culture age and sexuality in relationship development looks at multiple types of romantic relationships in emerging adulthood including dating and cohabitation explores both positive and negative relational processes analyzes the latest and most important scholarship the book opens with an introduction followed by a historical overview of the development of relationships next relationship development models are examined including the influence of social factors and the interaction of the partners involved this volume examines how partners initiate romantic relationships including infatuation sexual attraction and the impact of technology how cohabitation affects the quality of the future of the relationship and the individual social and circumstantial factors that predict stability or break ups in romantic relationships the book ends with an examination of the dark side of relationships and suggestions for future research on romantic pairings intended as a supplement for advanced undergraduate or graduate courses in marriage and family personal close intimate relationships or interpersonal family communication taught in human development and family studies psychology social work sociology communication counseling and therapy this book also appeals to researchers and practitioners interested in the romantic relationship processes

policymakers are interested in promoting healthy marriages in adulthood by providing services to strengthen the adolescent precursors of healthy marriage especially within low income populations but if programs and curricula targeting adolescent romantic relationships are to be effective they must be grounded in an accurate understanding of how adolescent relationships function and the role that they play in the development of healthy adult marriages this report evaluates the current landscape of theory research and interventions addressing the role of adolescent romantic relationships in the development of healthy adult marriages drawing on a thorough review of the existing theoretical and empirical literature in this area as well as interviews with practitioners directly involved with developing or administering relationship education to adolescents the authors bring together relevant research and theory from a wide range of disciplines that have examined these issues and suggest future directions for research and intervention in particular they note that although research describing romantic relationships in low income populations is sparse there are already existing nationally representative data sets that include data from substantial numbers of well sampled low income adolescents analyses of these data would have relatively low cost and a potentially high yield for informing policies that target low income youth

originally published in 2000 this was the first volume to examine adolescent romantic relationships

this book explores the meaning of love and intimacy from a variety of perspectives specifically philosophical psychological and cultural this volume is a focussed study on what makes them and what may break love and intimacy love and intimacy are central to us is sought by almost everyone and while we seem to know what they are they are not easily described the present volume includes eleven chapters which are divided into two parts the first part describes the meaning of love intimacy and romantic relations and the second highlights what may go wrong in such relationships and why the book explores theoretical debates and contemporary research around emotions and will be of interest to students and researchers of psychology philosophy as well as sex marriage and family therapists and counselors the chapters in this book were originally published in the journal of psychology

falling in love is the first book to unlock the mysteries of how and why we fall in love renowned psychologist ayala pines shows us why we fall for the people we do and argues convincingly that we love neither by chance nor by accident she offers sound advice for making the right choices when it comes to this complicated emotion packed with helpful suggestions for those seeking love and those

already in it this book is about love s many puzzles the second edition furthers the work of the popular and successful first edition with expanded research theory and practice this book once again provides one of a kind understandings of the experience of love the new edition offers updated references to recent research new chapter exercises and case examples of romantic stories to begin each chapter

based on what has been said by the greatest psychologists of our time this book tells the reader what is the concept of romantic love and how to be in a relationship without getting hurt it is about how to further strengthen a healthy relationship and how to get out of a toxic relationship the choice that life offers is whether one wants ten superficial meaningless relationships or one great relationship that lasts a lifetime here are some of the quotes from the book a day spent in understanding your partner will pay you much bigger dividends than a year spent around the world trying to find yourself you can give ten years of your life to an adorable fool but you should not waste a minute on a mean scoundrel

how can we make our relationship work it s a common question in romantic relationships and for good reason often people deeply in love with one another struggle with how they can stay together or build a meaningful bond that fulfills them for the rest of their lives so why not ask for advice from someone who spent 50 years in a wonderful loving relationship the two of us are one reveals the seven guiding principles of a successful relationship learned by ann steffen in five decades of first dating and then marrying the love of her life ronnie as describing these essential truths she recounts the story of her life with ronnie and how they discovered and lovingly adhered to those principles with the two of us are one you can both enjoy a wonderful love story and find out how to make your relationship one for the ages too

solomon and higgins have chosen excerpts from the great philosophical texts and combined them with the most exciting new work of philosophers writing today it examines the mysteries of erotic love from a variety of philosophical perspectives and provides an impressive display of wisdom that the world s best thinkers have brought and continue to bring to the study of love

part of the authoritative four volume reference that spans the entire field of child development and has set the standard against which all other scholarly references are compared updated and revised to reflect the new developments in the field the handbook of child psychology sixth edition contains new chapters on such topics as spirituality social understanding and non verbal communication volume 3 social emotional and personality development edited by nancy eisenberg arizona state university covers mechanisms of socialization and personality development including parent child relationships peer relationships emotional development gender role acquisition pro social and anti social development motivation achievement social cognition and moral reasoning plus a new chapter on

adolescent development

this book deals with personal social and cultural time perceptions and their impact on love and romantic relationships by focusing on time orientation and its representation in romantic relationships this book reveals the latent links between temporality and love given that the western conception of time is based on the ability to distinguish and compare among time units and time intervals fascinating layers of covert romantic ties are revealed the representation of temporality in marriage and non marital relationships as well as in long term no strings attached ones the blurred boundaries between expectations based on past relationships present love and future intimacy the real world of here and now vs virtual intimacy and sexuality in the cyber age the interjecting of there and then into here and now the need to cope with ghosts from the past the reverberation of dating time back and forth coupling intimacy rituals nostalgic there and then romantic secrets deception and betrayal and more temporal love temporality and romantic relationships draws a comparison between natural warm spontaneity free of external romantic intervention with mechanical cold pre scheduled and monitored love and intimacy spontaneous temporal behavior is depicted as authentic and fatalistic behavior whereas planned ahead of time is portrayed as rational and alienated furthermore there is an analysis of time trading i.e. investing in romance and maintaining long term romantic relationships via investing time coins in hopes of future profit among other things taking a break from one's lover breaking up or getting a divorce are represented as a kind of financial write off whereas a sense of permanency in a relationship might be viewed as a successful time investment simultaneously the time trading phenomenon generates a tendency to raise the stakes in the relationship and boost the willingness to work at it and make a commitment finally temporal love temporality and romantic relationships attempts to illuminate efforts to minimize temporal damage and maximize temporal gains while raising personal social and cultural expectations for a happily ever after and till death do us part romantic experience

these timely cutting edge articles allow instructors to bring their students real world perspective from a reliable source about today's most current and pressing issues in human sexuality

this book brings together a sensitive understanding of love and an unusually careful even painstaking analysis of the enormous but often neglected role of morality and the virtues in love martin's discussions of such virtues as caring courage fidelity and honesty are superb the examples well chosen the argument personal but nevertheless rigorous the prose accessible and enjoyable to read

Thank you very much for downloading **Defining Intimacy In Romantic Relationships Jstor**.
