the renowned detail scale series continues with the newest title f9f cougar in detail scale revised edition covering the development history and details of one of the united states navy s first operational swept wing jet fighters between

1978 and 2004 detail scale published more than 120 books on military aircraft and u s navy aircraft carriers after nearly a ten year break detail scale returned to the publishing scene in late 2013 and since that time has published over 30 new or updated books in the detail scale series the colors markings series as well as several stand alone volumes while our digital books proved to be very popular many customers longed for the traditional print book format and in late 2017 we began to convert our digital books to a print on demand format the only book in our new detail scale series that could not be converted was our original volume 2 f9f cougar in detail scale that book was just too large because it was basically a combination of the content we usually published in both our detail scale and colors markings series so in 2018 we pulled that book from our bookshelf and began the process of republishing it as two books one in each series this book f9f cougar in detail scale revised edition is the first result of this process and it offers expanded coverage over the previous edition it will eventually be followed by a second book colors markings of the f9f cougar which will cover all of the paint schemes used on the cougar and will look at all of the navy and marine fighter attack photo reconnaissance utility test evaluation fleet air service reserve miscellaneous squadrons and the blue angels precision flight demonstration team that flew the cougar in combination these two books will be the most comprehensive and detailed look ever published on this iconic aircraft from the grumman ironworks f9f cougar in detail scale revised edition continues the detail scale series focus on specific aircraft details including cockpit fuselage wings landing gear engine and armament but it includes so much more it features a detailed look at the developmental history of the f9f cougar that begins with the prototypes and continues with the f9f 6 in both fighter and f9f 6p photo reconnaissance versions and the f9f 7 allison engined variant it then covers the ultimate f9f 8 variant in its fighter attack and f9f 8p photo reconnaissance versions as well as the two seat f9f 8t this aircraft subsequently designated as the tf 9j filled a training role with the navy until the mid 1970s and was the only version of the cougar to see combat when the marines used the aircraft in the fast fac role in vietnam a comprehensive pilots report is included featuring reminiscences from five naval aviators who flew every cougar variant the aircraft details chapter long the hallmark of the detail scale series covers the cockpit windscreen and canopy internal armament fuselage wings pylons external stores landing gear tail and engine assemblies this chapter alone contains more than 180 photos 144 of which are in color that illustrate every aspect of this important aircraft finally as with all books in the detail scale series a detailed look at all of the scale model kits that have been released of the cougar is presented including the two f9f kits released by the kitty hawk modeling company in 2014 in 1/48th scale and the

recent sword 1 72nd scale kits f9f cougar in detail scale revised edition features more than 315 photos 208 in color and more than two dozen color detail and aircraft line drawings
