an international bestseller by one of this century's most prominent theologians on being a christian is a work of exhaustive scholarship born of the author's passionate belief in jesus christ as the center of existence hans kung here assesses the impact of other world religions humanism science technology and political revolutions and sifting through the theological controversies within the christian community itself he affirms the vitality and uniqueness of christianity by tracing it back to its roots the reality of the historical christ but more than history or theology on being a christian reexamines what it means to be a christian today the role of christian ethics in a social and political context the relationship between christians and jews the organization of a community

of believers and practical suggestions for dealing with personal crises of faith this image books edition will reach even larger segments of the population for whom the book was written kung defines his audience as those who do not believe but nevertheless seriously inquire who did believe but are not satisfied with their unbelief who do believe but feel insecure in their faith who are at a loss between belief and unbelief who are skeptical both about their convictions and about their doubts who are christians and atheists gnostics and agnostics pietists and positivists lukewarm and zealous catholics protestants and orthodox a landmark work for both scholars and educated laity on being a christian has become a small summa of the christian faith this is not another gospel kung contends but the same ancient gospel rediscovered for today

alexander campbell explains the tenets and principles of the christian faith drawing upon decades of experience as a minister author and leader of the restoration movement as one of the first christians in north america to undertake mass distribution of the written word campbell understood how spreading knowledge and insight cemented god s cause this work serves as a summation of christianity explaining the significance of the holy bible god as creator and spiritual knower of all and the life of his son on earth jesus christ designed as an informative guide steeped in scriptural wisdom the christian system is both a wellspring of religious knowledge and a historic landmark of american christian authorship this edition also includes several lectures and pamphlets delivered by alexander campbell over the course of his life their topics range from the treatment and forgiveness of sin to the holy sacraments taken in church to the spiritual regeneration and rebirth of a man repentant and reformed in god s image fittingly the book concludes with a rallying call to christian faithful to the sons and daughters of the lord mindful and strident in emulating the kingdom of god a celebrated figure in the revivalist movement of the mid 19th century many modern churches in the usa trace their origins to the efforts of alexander campbell and his fellow leaders

once liberal christianity was preached in ways that defined it in the public eye now christianity is identified almost exclusively with its conservative expressions seasons of the christian life presents a series of sermons articulating a liberal christianity over against its conservative neighbors they were preached at the university church marsh chapel at boston university save for one preached in memorial church at harvard during the 2004 2005 academic year when president george w bush was reelected and the country was at war in iraq and afghanistan and at war with terrorists wherever they could be imagined the sermons follow the revised common lectionary and focus on biblical interpretation as it is applied to the then current spiritual cultural social and political situation the author is a professor of theology and at the time was dean of marsh chapel and chaplain of the university

the encyclopedia of christianity is a monumental reference work that addresses the broad interest in christianity and religion around the world comprehensive up to date and reflective of the highest standards in scholarship the ec describes the christian faith and community in their myriad forms throughout the 2 000 years of christian history volume 4 of the ec contains more than 300 articles covering the alphabetical entries p s articles on significant topics ranging from paul political theology and the qurban to religious liberty salvation history and scholasticism

a selection of key writings from the french religious philosopher jean borella

books on the christian life abound some focus on spirituality others on practices and others still on doctrines such as justification or forgiveness few offer an account of the christian life that portrays redeemed christian existence within the multifaceted and beautiful whole of the christian confession this book attempts to fill that gap it provides a constructive specifically theological interpretation of the christian life according to the nature of god s grace this means coordinating the triune god his reconciling justifying redemptive restorative and otherwise transformative action with those practices of the christian life emerging from it the doctrine of the christian life developed here unifies doctrine and life confession and practice within the divine economy of grace drawing together some of the most important theologians in the church today sanctified by grace achieves what no other theological text offers a shared work of dogmatic theology oriented to redeemed christian existence

history of the christian church ecclesiastical history presents a profound journey through the sweeping epochs of christianity offering readers a comprehensive anthology that captures the diverse tapestry of church history this collection marked by its varied literary styles Äfrom meticulous historical analysis to engaging narrative prose Äexplores the complexities of ecclesiastical evolution and spiritual transformation the works included stand out for their detailed accounts of pivotal events and figures showcasing the rich tapestry of religious social and cultural influences that shaped christianity over the centuries together these pieces create a mosaic that is both informative and reflective encapsulating centuries of ecclesiastical developments and theological discourse this anthology features the works of influential historians and theologians like philip schaff and eusebius who have been instrumental in chronicling the growth and transformation of christianity schaff s contributions are pivotal in elucidating the progression of christian doctrine and practice while eusebius provides foundational insights into the early church their works are emblematic of the broader historical and cultural currents of their respective eras drawing readers into the heart of christian thought and its enduring legacy collectively these voices offer an enriched comprehension of christian history allowing readers to explore the confluence of history faith and culture for readers seeking a robust and multifaceted understanding of christian history this anthology offers a unique opportunity to traverse through millennia of ecclesiastical narrative and theological debate it serves as an educational resource that encourages reflection on the myriad perspectives and styles that define historical study whether you re delving into the collection for academic interest or personal enrichment history of the christian church ecclesiastical history promises an enlightening dialogue between the past and the present inviting readers to uncover the profound impacts of christianity on global culture

the more popular practical counterpart to hans urs von balthasar s own book of the same title this book plumbs the depths of what it means to be a christian

competing worldviews cast their impact on the church and the christian confession what does it mean to be a christian in an age that threatens cultural dissolution related questions press on a calm consideration of the meaning of the christian life who is jesus christ of whose salvific work the christian confession depends why did jesus christ come into the world what is to be said of the human condition following the adamic fall which as john milton says brought death into the world and all our woe what is the christian s highest good the grounds on which it has life determining relevance and what are its existential implications in this closely reasoned and biblically informed examination of those questions douglas vickers concludes that the christian s highest

good exists in fellowship with the father the practical and everyday significance of that fellowship is addressed at length and the meaning and prospect of each christian s eternal life is shown to be grounded in a vital and indissoluble union with christ
