examines the reasons for the high rate of hereditary deafness among the population of martha s vineyard and discusses the place of deaf people in town life

from the seventeenth century to the early years of the twentieth the population of martha s vineyard manifested an extremely high rate of profound hereditary deafness in stark contrast to the experience of most deaf people in our own society the vineyarders who were born deaf were so thoroughly integrated into the daily life of the community that they were not seen and did not see themselves as handicapped or as a group apart deaf people were included in all aspects of life such as town politics jobs church affairs and social life how was this possible on the vineyard hearing and deaf islanders alike grew up speaking sign language this unique sociolinguistic adaptation meant that the usual barriers to communication between the hearing and the deaf which so isolate many deaf people today did not exist

islanders of martha s vineyard once brought the deaf into all day to day work and play

gebarentaal voor doven en slechthorenden

the 13th volume in the sociolinguistics in deaf communities series describes various accounts of contact between sign languages worldwide to further understand structural and social factors of this linguistic component

the house is a babel tonight there are snatches of english there is hebrew there is a great deal of arabic but in the illuminated room it is the other languages that catch the eye they are signed languages the languages of the deaf as night engulfs the surrounding desert and the cameraman s lights throw up huge signing shadows it looks as though language itself has become animate as conversations play out in grand silhouette on the whitewashed walls there are three signed languages going there is american sign language used by one of the visitors a deaf linguist from california there is israeli sign language the language of the deaf in that country and there is a third language the one the linguists have journeyed here to see a signed language spoken in this village and nowhere else in the world book jacket

through his research over the years dr supalla who is deaf has identified the name sign system which has a pattern to forming and giving name signs within the deaf communities the need for a formal name sign book has risen dramatically with the increasing use of inappropriate name signs there is a comprehensive guide and a list of over 500 name signs to help people to select appropriate name signs according to the american sign language asl rules of formation and use the book is written to be both informative and entertaining and dr supalla compels all who are interested to become more aware of deaf people s intriguing signed language and culture both dating back to the early years of deaf education
