life at the end of the twentieth century presents us with a disturbing reality otherness the simple fact of being different in some way has come to be defined as in and of itself evil miroslav volf contends that if the healing word of the gospel is to be heard today christian theology must find ways of speaking that address the hatred of the other reaching back to the new testament metaphor of salvation as reconciliation volf proposes the idea of embrace as a theological response to the problem of exclusion increasingly we see that exclusion has become the primary sin skewing our perceptions of reality and causing us to react out of fear and anger to all those who are not within our ever narrowing circle in light of this christians must learn that salvation comes not only as we are reconciled to god and not only as we learn to live with one another but as we take the dangerous and costly step of opening ourselves to the other of enfolding him or her in the same embrace with which we have been enfolded by god is there any hope of embracing our enemies of opening the door to reconciliation miroslav volf a yale university theologian has won the 2002 louisville grawemeyer award in religion for his book exclusion embrace a theological exploration of identity otherness and reconciliation abingdon 1996 volf argues that exclusion of people who are alien or different is among the most intractable problems in the world today he writes it may not be too much to claim that the future of our world will depend on how we deal with identity and difference the issue is urgent the ghettos and battlefields throughout the world in the living rooms in inner cities or on the mountain ranges testify indisputably to its importance a croatian by birth volf takes as a starting point for his analysis the recent civil war and ethnic cleansing in the former yugoslavia but he readily finds other examples of cultural ethnic and racial conflict to illustrate his points and since september 11 one can scarcely help but plug the new world players into his incisive descriptions of the dynamics of interethnic and international strife exclusion happens volf argues wherever impenetrable barriers are set up that prevent a creative encounter with the other it is easy to assume that exclusion is the problem or practice of barbarians who live over there but volf persuades us that exclusion is all too often our practice here as well modern western societies including american society typically recite their histories as narratives of inclusion and volf celebrates the truth in these narratives but he points out that these narratives conveniently omit certain groups who disturb the integrity of their happy ending plots therefore such narratives of inclusion invite long and gruesome counter narratives of exclusion the brutal histories of slavery and of the decimation of native american populations come readily to mind but more current examples could also be found most proposed solutions to the problem of exclusion have focused on social arrangements what kind of society ought we to create in order to accommodate individual or communal difference volf focuses rather on what kind of selves we need to be in order to live in harmony with others in addressing the topic volf stresses the social implications of divine self giving the christian scriptures attest that god does not abandon the godless to their evil but gives of godself to bring them into communion we are called to do likewise whoever our enemies and whoever we may be the divine mandate to embrace as god has embraced is summarized in paul s injunction to the romans welcome one another therefore just as christ has welcomed you romans 15 7 susan r garrett coordinator of the religion award said that the grawemeyer selection committee

praised volf s book on many counts these included its profound interpretation of certain pivotal passages of scripture and its brilliant engagement with contemporary theology philosophy critical theory and feminist theory volf s focus is not on social strategies or programs but rather on showing us new ways to understand ourselves and our relation to our enemies he helps us to imagine new possibilities for living against violence injustice and deception garrett added that although addressed primarily to christians volf s theological statement opens itself to religious pluralism by upholding the importance of different religious and cultural traditions for the formation of personal and group identity the call to embrace the other is never a call to remake the other into one s own image volf who had just delivered a lecture on the topic of exclusion and embrace at a prayer breakfast for the united nations when the first hijacked plane hit the world trade center will present a lecture and receive his award in louisville during the first week of april 2002 the annual religion award which includes a cash prize of 200 000 is given jointly by louisville presbyterian theological seminary and the university of louisville to the authors or originators of creative works that contribute significantly to an understanding of the relationship between human beings and the divine and ways in which this relationship may inspire or empower human beings to attain wholeness integrity or meaning either individually or in community the grawemeyer awards given also by the university of louisville in the fields of musical composition education psychology and world order honor the virtue of accessibility works chosen for the awards must be comprehensible to thinking persons who are not specialists in the various fields

beginning theology students often find themselves bewildered by a maze of beliefs represented in christian history and tradition don thorsen s an exploration of christian theology unravels the knots of theology by exploring the whole christian tradition in a simple and straightforward way beginning with introductory chapters on theology revelation and authority this book deals with biblical teaching and christian tradition related to such topics as god creation sin jesus christ salvation and eschatology chapters conclude with helpful questions for further reflection and discussion and a convenient glossary of theological terms is included this is an excellent introduction to christian theology for classroom or individual use

being a pastor is a complicated calling pastors are often pulled in multiple directions and must become all things to all people 1 cor 9 22 what does the new testament say or not say about the pastoral calling and what can we learn about it from the apostle paul according to popular new testament scholar scot mcknight pastoring must begin first and foremost with spiritual formation which plays a vital role in the life and ministry of the pastor as leaders pastors both create and nurture culture in a church the biblical vision for that culture is christoformity or christlikeness grounding pastoral ministry in the pastoral praxis of the apostle paul mcknight shows that nurturing christoformity was at the heart of the pauline mission the pastor s central calling then is to mediate christ in everything mcknight explores seven dimensions that illustrate this concept friendship siblings generosity storytelling witness subverting the world and wisdom as he calls pastors to be conformed

to christ and to nurture a culture of christoformity in their churches

this study explores the conversion theologies of luke and paul for luke and paul conversion played an important role in the early christian experience and morlan offers a fresh look into how they interpreted this phenomenon morlan traverses representative texts in the lukan and pauline corpus equipped with three theological questions what is the change involved in this conversion why is conversion necessary who is responsible for conversion morlan presents theological and exegetical analysis of luke 15 acts 2 acts 17 16 34 romans 2 and romans 9 11 and answers these questions and in turn builds theological profiles for both luke and paul these profiles provide fresh insight into the theological relationship between luke and paul showing significant similarities as well as sharp contrasts between them similarities surface between luke and paul concerning the centrality of christology in their conversion theologies while showing a complex relationship between human and divine agency in conversion both luke and paul understand successful conversion to be impossible without the intervention of an agency outside of the pre convert

this book is an important step in clarifying the issues that come up when addressing the public square it is an early effort towards a coherent theological frame for engagement in socio political issues this time rooted in the richness of a multi faith context like that of india while the church is the primary social context in which the saving power of god is made visible this book equally insists that it is in the larger arena of what god is doing in the world that the kingdom s historic presence is felt it is a fitting tribute to a man who has spent much of his life opening up the spaces where the word is in vital conversation with the larger world melba padilla maggay phd institute for studies in asian church and culture isacc

the overarching aim of this work is to develop a new account of the doctrine of the trinity the author proposes that such an approach is overdue because contemporary trinitarian theology pays insufficient attention to the fact that theology as linguistic discourse is inescapably embedded in human experience hence the critical analysis of existing trinitarian constructions gunton lacugna moltmann is impressively sharp in response nausner develops an interstitial methodology working between experience and revelation refusing both revelational and experiential positivisms in dialogue with contemporary novels the human sciences frankl weizsäcker philosophy levinas and biblical narratives he offers an imaginative original and contemporary way of conceiving the doctrine of the trinity in relation to human life

ann loades has been instrumental in bringing forward for the attention of readers in later generations voices from the past notably highlighting the work of pioneering women such as evelyn underhill and dorothy l sayers as well as advancing the study of better known anglican

forebears c s lewis and austin farrer always with her own distinctive concerns a key interpreter of the anglican tradition and with a keen eye to ensure the full recognition of women these studies by ann loades are essential reading in anglican feminist and twentieth century theology

the world cries out for a prophetic word to the chaos unrest and destructiveness of our times can the biblical prophets speak into our world today old testament ethicist m daniel carroll r shows that learning from the prophets can make us better prepared for christian witness in this guide to the ethical material of old testament prophetic literature carroll highlights key ethical concerns of the three prophets most associated with social critique amos isaiah and micah showing their relevance for those who wish to speak with a prophetic voice today the book focuses on the pride that generates injustice and the religious life that legitimates an unacceptable status quo both of which bring judgment as well as the ethical importance of the visions of restoration after divine judgment each of these components in the biblical text makes its own particular call to readers to respond in an appropriate manner the book also links biblical teaching with prophetic voices of the modern era

tragedy is a genre for exploring loss and suffering and this book traces the vital areas where tragedy has shaped and been a resource for christian theology there is a history to the relationship of theology and tragedy tragic literature has explored areas of theological interest and is present in the bible and ongoing theological concerns christian theology has a long history of using what is at hand and the genre of tragedy is no different what are the merits and challenges of placing the central narrative of the passion death and resurrection of christ in tragic terms this study examines important and shared concerns of theology and tragedy sacrifice and war rationality and order historical contingency blindness guilt and self awareness theologians such as reinhold niebuhr hans urs von balthasar martin luther king jr simone weil and boethius have explored tragedy as a theological resource the historical relationship of theology and tragedy reveals that neither is monolithic and both remain diverse and unstable areas of human thought this fascinating book will be of keen interest to theologians as well as scholars in the fields of literary studies and tragic theory

in sermons to the natural man william g t shedd engages with theological themes through a series of incisive sermons aimed at addressing the spiritual condition of the unregenerate individual his eloquent prose and rich theological insights invite readers to confront the moral and existential dilemmas that arise from a life disconnected from divine grace shedd s work balances fervent oratory with rigorous doctrinal exposition rooted in the reformed tradition and reflects the 19th century revivalist context that sought to awaken the conscience of a secular society william g t shedd a prominent theologian and presbyterian minister of his time found inspiration in the pervasive moral decay he observed in society his academic background in theology coupled with a profound commitment to evangelical principles fueled his passion for communicating complex doctrines in an accessible manner to the average believer shedd s insights were shaped by the intellectual currents

of his era bridging the gap between rigorous theological scholarship and heartfelt christian experience this compelling compilation is highly recommended for those seeking a deeper understanding of the human condition in the light of christian doctrine shedd s eloquence serves not merely to inform but to inspire inviting readers to engage in meaningful self reflection as such sermons to the natural man is essential reading for theologians clergy and laypersons alike who wish to comprehend the transformative power of the gospel

life in the twenty first century presents a disturbing reality otherness the simple fact of being different in some way has come to be defined as in and of itself evil miroslav volf contends that if the healing word of the gospel is to be heard today christian theology must find ways of speaking that address the hatred of the other is there any hope of embracing our enemies of opening the door to reconciliation reaching back to the new testament metaphor of salvation as reconciliation volf proposes the idea of embrace as a theological response to the problem of exclusion increasingly we see that exclusion has become the primary sin skewing our perceptions of reality and causing us to react out of fear and anger to all those who are not within our ever narrowing circle in light of this christians must learn that salvation comes not only as we are reconciled to god and not only as we learn to live with one another but as we take the dangerous and costly step of opening ourselves to the other of enfolding him or her in the same embrace with which we have been enfolded by god volf won the 2002 louisville grawemeyer award in religion for the first edition of his book exclusion embrace a theological exploration of identity otherness and reconciliation abingdon 1996 in that first edition professor volf a croatian by birth analyzed the civil war and ethnic cleansing in the former yugoslavia and he readily found other examples of cultural ethnic and racial conflict to illustrate his points since september 11 2001 and the subsequent epidemic of terror and massive refugee suffering throughout the world volf revised exclusion and embrace to account for the evolving dynamics of inter ethnic and international strife

what is being explored here is theology itself the question lying behind each of these essays is this if there is a human activity in our time which we may call theology of what sort is it what is the character of the theological enterprise in our present situation

this book makes a detailed examination of various concepts related to both psychology and theology utilizing both secular and religious sources using available classical literature and the greek new testament dr jackson makes comparisons with hebrew and old testament references in an interpretive exploration of psychological and theological concepts he makes a conscious effort to formulate a concept of soul which is both psychologically and theologically meaningful this work is a significant contribution to both integrative and interpretive theology with informational value for individuals working in the systematic structure of theories concerning the relation of conscious and unconscious psychological processes also those working in the field of religion will find the book an enlightening read

in Jesus fulfils the law the anonymous author presents a profound theological exploration of the relationship between Jesus Christ and the mosaic law intertwining scriptural exegesis with a reflective literary style this work delves into the fulfillment of old testament prophecies through Christ's life and teachings meticulously aligning key events with established judaic laws and customs the author employs a blend of narrative and doctrinal analysis creating a textual tapestry that invites readers to comprehend the transformative role of Jesus within the broader context of Jewish tradition and Christian theology the anonymity of the author serves as a fascinating aspect of this text suggesting a universal appeal and an intention to emphasize the message rather than personal identity this choice may be rooted in the author's desire to present a timeless truth accessible to all believers reflecting an era in which early Christians grappled with their faith's roots in Judaism the work likely draws from a rich background steeped in both scriptural knowledge and a desire to bridge the gap between disparate interpretations of holy law Jesus fulfils the law is not just a theological discourse it is an invitation for readers to deepen their understanding of Christ's significance in religious history scholars theologians and lay readers alike will find this text to be a compelling resource that challenges preconceived notions and encourages a re-examination of faith in the light of biblical revelation
