meanings and effects are generated in the three major literary genres carrying out
stylistic analysis of poetry drama and prose fiction in turn he analyses a wide range of
extracts from english literature adopting an accessible approach to the analysis of
literary texts which can be applied easily to other texts in english and in other
languages

poetry defined as language divided into lines is found in most known human cultures
this masterful survey of poetry and its constituent components demonstrates the
functions performed by metre rhyme alliteration and parallelism arguing that each
line of a poem fits as a whole unit into the limited capacity of human working memory
using examples from around the world fabb surveys the wide varieties of poetry and
the ways they are performed including those in songs and signed literatures focusing
on language form and memory he argues helps us understand why poetry is a
particularly valued way of using language a fresh exploration of poetry the book will
be welcomed by students and researchers of literature linguistics and psychology as
well as anyone interested in poetry

language and world creation in poems and other texts introduces an interdisciplinary and practical approach to the analysis of poetry which focuses on text worlds namely the contexts scenarios or types of reality that readers construct in their interaction with the language of texts the book demonstrates in detail three ways of approaching poetic text worlds namely as discourse situations possible worlds and mental constructs clear and detailed introductions to linguistic theories of definiteness and deixis possible world theory and schema theory are included making the book accessible to readers who are unfamiliar with these frameworks

this book introduces a new way of looking at how poems mean drawing on the framework first developed in the author s book critical stylistics but applied here to aesthetic more than ideological meaning the aim is to empower readers of poetry to articulate the features of poetic language that they come across and explain to themselves and others why these features convey the meanings that they do while this volume focuses on contemporary poets writing in english and mostly based in the uk and ireland the framework will work just as well for other eras poetry as well as for other cultures and languages
