in the beginning there was the word a sound a vibration would you like to experience the freedom from being offended freedom from control and manipulation itos all in the

words we hear and the words we use words make up our thoughts our thoughts make up our opinions and our opinions generally end up giving us heartburn thoughts come first everything else follows and wherever you go there you are have you ever tried to escape a thought have you ever lost your sense of humor maybe it flew out of the window on the freeway somewhere there is a way to get it back discover new vistas and fields for your mind to wander through it s just a thought or is it

this poetry book ii is more sum of me sum of me and sum of me ii are generally about what i appreciate observe perceive and experience in this world in which i was created to live also to hopefully be effective for those who are affected by and for those who are effective for me the poems may generate a sense of entertainment of teaching or of being taught by each of us who read them including the healing self teaching of this author we each choose to live our lives according to the free will that god has given us we are in this world together and it is a hard road at times so given the chance to help others and help oneself i feel that we need to strive to be positively connected to all living things
