what is neuroauthority anyway at a high level it s the combination of neuroscience and authority
 marketing neuromarketing is a new field of marketing research that studies consumers sensorimotor
 cognitive and affective response to marketing stimuli the technology is based on a model whereby the
 major thinking part of human activity over 90 including emotion takes place in the subconscious area
 that is below the levels of controlled awareness authority marketing helps entrepreneurs leverage their
 knowledge to gain authority status in their industry this authority status then allows them to
 dramatically amplify their message and convert their new audience into higher paying customers in
 other words it s the process for positioning yourself as an authority or even a celebrity in your
 marketplace neuroauthority is the science of creating authority positioning in the subconscious area
 that is below the levels of controlled awareness it s using the proven tools of neuroscience to
 determine why we deem one person as an expert over another and then applying the research so you
 can use it to get more clients traditional methods used by marketers won t trigger decisions at a
 subconscious level they just use whatever the shiny button is at the moment and hope that it will work
 instead they should use a scientific approach to capture insights that predict why prospects will choose
 to follow respect and eventually buy from one person over another in his latest book best selling
 author and entrepreneur brian ainsley horn reveals the concept of neuroauthority and uses case studies
 to back up his findings he also provides actionable applications of it for entrepreneurs small business
 owners and professionals

a beautiful and ruthless lady from ohio zeo zoe wilkins made her living as a gold digger marrying a
 series of wealthy older men she hired attorney jesse james jr to provide legal muscle to extract money
 from an ex husband on the night of march 15 1924 she was brutally murdered in her kansas city home
 deftly mixing historical conjecture with forensic fact the author follows the opportunistic eccentric
 and troubled lives of wilkins and james while making a convincing case that their mutual avarice led to
 a murderous confrontation that bloody night

it s time to get paid what you re truly worth although you may not realise it the knowledge and
 knowhow you have acquired in your life to date is a truly marketable asset you ve made valuable
