our attorneys at the christian law association have developed a sample security manual for churches so that they may focus their efforts on evangelism and ministry rather than the dangers of violence that some have unfortunately had to experience some of the mainstays in our sample security manual include the following important details security personnel duties evacuation procedures fire and explosion procedures severe weather procedures dangerous and unruly persons procedures lockdown procedures procedure for determining when to use force vehicle accident procedures and many more we have found that many churches have procedures that are primarily word of mouth and usually start with if this happens you do this these lack the importance of having it written and settled so that anyone in that position may understand it fully procedures that no one knows or has available to them are not helpful at all in fact much harm can come from events that occur and are followed by the phrase but i thought that s what you wanted me to do having a set standard allows the church leadership to maintain order and protect the ministry better should something happen having a security procedure in place will enable your ministry to act efficiently and lower the liability risk should

some event take place on the campus without a plan in place during the course of a service any number of unforeseen circumstances are possible and the best way to approach these situations is by preparation ahead of time by having procedures about handling these situations at the ready you may not only save your ministry from damage you might save your people from a tragedy publisher

the church security handbook because it can happen hereattacks on churches are on the rise yet the temptation is to think that it can't or won't happen in our city or congregation the church security handbook takes a practical biblical approach to answering critical questions about security including what are the odds of an attack on my church does church security indicate a lack of faith in god how can we have a security team without a fortress mentality does a security team have to be armed how do we select and train our team the church security handbook is written by the experienced real world professionals at strategos international strategosintl.com

this volume is the result of the work of 15 researchers from four former communist countries poland hungary romania moldova who approach the relationship between political power and the churches in central and eastern europe during communism from an interdisciplinary perspective exploring several directions biographies reconstructing the fate of the heroes of anti communist resistance institutions analysing the mechanisms of repression memorialisation museum representations of communist repression and cultural cinematographic representations of the communist past dragoş ursu phd in history with a thesis on political detention in romania post doctoral researcher at the university of alba iulia interested by the history of communist regimes political repression memory of anti communist resistance state church relations in the 20th century
