this work explores race relations in the city of san francisco where whites for the most part were outwardly civil to blacks while denying them employment opportunities and political power the author argues that it is essential to understand the nature of the racial caste system

the remarkable story of how the allies used psychoanalysis to delve into the motivations of the nazi leadership and to explore the mass psychology of fascism

this book illuminates the professional career and private lives of j mccants stewart a reconstruction era lawyer minister politician and political activist and his descendants over three generations providing an epic account of an african american family in america adapted from book jacket

afrolatinas as a subject of scholarship are woefully underrepresented and this edited volume afrolatinas and latinegras culture identity and struggle from an intersectional perspective offers an important and timely intervention the consistent attention to afrolatinas agency across all the chapters is empowering and attentive to the difficult circumstances of asserting that agency and to the tremendous breadth of what agency can look like the authors argue for the analytical power of the concept of intersectionality while considering the hegemonic pressures on afrolatinidad and the essentializing moves that an intersectional approach enables evading overthrowing and resisting systems of power through the study of multiple cultural expressions of blackness such as photography colonial inquisition records dance music fiction non fiction poetic memoir and religious expression and throughout different region of the americas the chapter contributors of this book consider the relationship that social and historical processes such as sovereignty and colonialism have on narrative and cultural production rosita scerbo concetta bondi and the contributors acknowledge that racial and gender equity cannot exist without intersectionality and the inclusion of activist voices broadens this volume s reach and links theory to praxis

although traditional academic circles rarely celebrate the work of african or african american thinkers because performers and political figures were more acceptable to narrating histories this work projects the ideas of several writers with the confidence that africology the afrocentric

study of african phenomena represents an oasis of innovation in progressive venues the book brings together some of the most discussed theorists and intellectuals in the field of african studies for the purpose of sparking further debate critical interpretations and extensions and to reform and reformulate the way we approach our critical thought the contributors afrocentric approach offers new interpretations and analysis and challenges the predominant frameworks in diverse areas such as philosophy social justice literature and history

in an afrocentric pan africanist vision afrocentric essays molefi kete asante engages the age old debate on pan africanism by providing an innovative orientation to the established discourse developed during the twentieth century asante opens an interrogation of the pan-african tradition of a socialist pan africanism by suggesting that a deeper entry into the histories and narratives of the literary economic social and spiritual values of the thousands of african societies scattered throughout the world could sustain a different agency analysis of pan africanism without grafting an external idea on the unity of africa using his vast knowledge of the history of africa asante suggests that the african renaissance cannot take place unless there is a commitment to creating an african community conscious of its own myths origins and economic cultural and philosophical traditions

black muslims and the law civil liberties from elijah muhammad to muhammad ali examines the nation of islam s quest for civil liberties as what might arguably be called the inaugural and first sustained challenge to the suppression of religious freedom in african american legal history borrowing insights from a leon higginbotham jr s classic works on american slavery jurisprudence black muslims and the law reveals the nation of islam s strategic efforts to engage governmental officials from a position of power and suggests the federal executive congressmen judges lawyers law enforcement officials prison administrators state governments and african american civic leaders held a common understanding of what it meant to be and not to be african american and religious in the period between world war ii and the vietnam war the work raises basic questions about the rights of african descended people to define god question white moral authority and critique the moral legitimacy of american war efforts according to their own beliefs and standards

this book presents a metacritique of racial formation theory the essays within this volume explore the fault lines of the racial formation

concept identify the power relations to which it inheres and resolve the ethical coordinates for alternative ways of conceiving of racism and its correlations with sexism homophobia heteronormativity gender politics empire economic exploitation and other valences of bodily construction performance and control in the twenty first century collectively the contributors advance the argument that contemporary racial theorizing remains mired in antiblackness across a diversity of approaches and objects of analysis the contributors assess what we describe as the conceptual aphasia gripping racial theorizing in our multicultural moment analyses of racism struck dumb when confronted with the insatiable specter of black historical struggle
