as director gus van sant observes in the introduction to matt damon s and ben affleck s screenplay good will hunting the two young actors somewhat resemble the characters they play in the film they re best friends and affleck who plays chuckie habitually chauffeurs damon will who doesn t drive van sant says we can see how badly damon drives by watching the film s last scene in which he is actually driving the car with the camera mounted on it but damon and company write better than he drives this script contains some of the boldest best monologues since pulp fiction van sant and cast member robin williams helped the young actors tame the tigers in their cranial tanks trimming the script into a precision instrument though the stills from the film are not perfectly matched to their places in the script this story remains as much a joy to read as it is to watch on the big screen

one of the most talented and imaginative artists of independent cinema gus van sant established himself with a number of important movies of the late 1980s and early 1990s beginning with mala noche the 1986 gay classic of personal film expression followed by two key works of the american indie movement drugstore cowboy and my own private idaho van sant films often feature characters on the borders of mainstream society subsequent films included hits misses and a notorious remake of psycho regardless of the critical or commercial response to his work van sant has maintained a vision that is unique among contemporary filmmakers conversations with gus van sant is the first critical study to include both extensive original interviews with the director as well as discussions of his entire body of work the exchanges between film scholar mario falsetto and the indie filmmaker cover fifteen films directed by van sant over a period of thirty years throughout these discussions van sant talks candidly about each film s production history visual style editing patterns and creative soundwork the director also expounds on his work with actors the relationship of independent filmmakers to the wider film industry and many other subjects related to his filmmaking process the conversations examine the rich thematic explorations of van sant s films which often revolve around the search for love

and community on the margins of society and feature a fascination with death from experimental films such as *Gerry*, *Last Days in the Desert*, *Elephant*, and *Paranoid Park* where van Sant rebooted his understanding of cinema and his relationship to the Hollywood film industry to *Milk* and *Promised Land*. This book explores the rich network of meanings in the director's work by melding the author's critical perspective with the filmmaker's own ideas. Conversations with Gus Van Sant create a wider perspective on one of the most iconoclastic and imaginative directors of the last thirty years.

In the late 1980s a generation of filmmakers inspired by the directors of the 1970s began to flower outside the studio system. In the following decade the independent movement bloomed. In this volume Biskind tells the story of these filmmakers and the independent distributors.

Profane, honest, and totally real advice from writer and director Kevin Smith. Take one look at Kevin Smith: he's a balding fatty who wears a size XXL hockey jersey, shorts, and slippers year-round. Not a likely source for life advice, but take a second look at Kevin Smith. He changed filmmaking forever when he was twenty-four with the release of *Clerks*, and since then has gone on to make nine more profitable movies, runs his own production company, wrote bestselling books and graphic novels, and has a beautiful wife and kid. So he must be doing something right. As Kevin's millions of Twitter followers and millions of podcast listeners know, he's the first one to admit his flaws and the last one to care about them. In early 2011 he began using his platform to answer big questions from fans like "What should I do with my life?" and he discovered that he had a lot to say. *Tough Shit* distills his four decades of breaking all the rules down to direct and brutally honest advice, including why he has accepted Ferris Bueller as his personal savior and what the tenets of Buellerism can teach about hiding in plain sight and lip syncing in the face of danger, why it's really fun to eat but not so fun to be fat, what to do about people who don't like your policies (for starters, tell them to pucker up and smooch your big ol' butt), what Kevin's idol, Wayne Gretzky, can teach us about creativity and direction for anyone who's out of a job, out of luck, or just out of sugary snack foods. *Tough Shit* is an unabashedly honest guide to getting the most out of doing the least.

Finally, a sequel as good as the original, enlivened by humorous incidents, brewing controversies, and deeply moving personal dramas. Inside *Oscar 1995-2000* offers the complete lowdown on six more years of Academy Awards glory, from *Braveheart* in 1995 through *Gladiator* in 2000, with the Titanic phenomenon and the Saving Private Ryan Shakespeare in Love feud in between. There is also complete coverage of the awards ceremonies with delicious anecdotes on the presenters and performers, the producers and egos, the fashion stars and fashion victims, and of course a complete list of all the nominees and winners, as well as a list of notable non-nominees picking up where the classic *Inside Oscar* leaves off. This must-have guide treats us to a behind-the-scenes look at one of America's most beloved annual traditions.

This volume contains a collection of nine in-depth interviews with directors of independent film.

Looks at the life and career of the popular actor, describing his childhood in Massachusetts, friendship with actor and co-writer Ben Affleck, love, life, work on *Good Will Hunting*, and plans for the future.

Biographical sketch of film star Matt Damon, including highlights of those roles for which he is most famous, as well as discussion of his personal struggles, both on and off the screen.
